

## Two Torrance Men Named to State KC Jobs

Two Torrance men, Howard Hood and George W. Schneider, were named to state offices with the California Council of the Knights of Columbus, according to an announcement released this week by Joseph Wilson, state deputy for the fraternity.

Hood was appointed deputy for the state's 55th district, which includes the St. Patrick's (Wilmington), Angel's Gate (San Pedro), Los Crusados (Redondo Beach), and Avalon (Catalina Island) councils. Wilson designated George W. Schneider as the state's general program chairman for the 1961-62 term.

THE NEW district deputy, a resident of the Torrance area since 1951, is a past grand

knight of the Los Crusados council, and is now serving a term as council trustee, vice president of the Columbia Holding Society, and director of the Southern California chapter of the Knights of Columbus. Hood, his wife, and three children (Donna, 11; Christine, 8; and Keith, 3) reside on Kathryn Ave.

Schneider, a member of the Los Crusados council, is a past president of the Southern California chapter of the Knights.

ONE OF HOOD'S first official appointments was that of Mike Shanahan of Harbor City to the post of district Warden. Shanahan is a member of the Angel's Gate council.

Hood has tentatively established Monday, July 3rd, as

the date when he will install Stacy Rodman (grand knight), Joseph Platt (deputy grand knight), Larry Sargent (chancellor), and William Fredericks (warden) as the new officers of the Los Crusados council.

Chrysanthemums can be bought in full bloom 12 months of the year in California, enjoyed in the house and then set out in the garden for future color. If you buy a blooming Chrysanthemum this month, you can coax a second bloom out of it this fall. Transplant it into a sunny bed, cut the whole plant back half way, feed and water it. By the regular Chrysanthemum season, it will once more be ablaze with color.
