ROBERT MUNCASTER Opens New Offices

Architect Opens New Hollywood Riviera Offices

Robert Muncaster, architect, has announced the opening of his new offices in the 205 Building in Hollywood Riviera. The offices are located on Avenue I. Moving from offices on Via Tejon in Palos Verdes, Muncaster stated that the more centralized location would aid him in his numerous projects, which now include restaurant and motel facilities in Lomita, homes in Rolling Hills, Claremont, and Pasadena.

Muncaster recently designed the addition to the Marineland Restaurant. Other projects have been master planning for the Redondo Beach Dominguez Park recreational facilities, and work as supervising architect for a large apartment complex in San Francisco.

He is a Navy veteran, serving as a pilot during World War II. He is married and lives with his wife, the former Esther Davis, and four children at 2034 General St., San Pedro.

In Film Festival

"Hollywood: The Golden Years," feature-length documentary produced-directed by David L. Wolper, has been selected as a special entry in the San Sebastian International Film Festival in Spain, July 9-23. The film is narrated by Gene Kelly.
