

# Survey Results Of Industries Given Chamber

At a program of work meeting last week, Bill Greenawalt, chairman, reported the findings of industrialists who were guests at the meeting. They made the following recommendations for top priority civic needs.

1. An evaluation of the remaining land area within the city. After proper study, the development of a master plan that will insure continued industrial growth plus growth in the areas determined necessary to give Torrance a stable and healthy economy.
2. Organized broad-scale program to attract new business and industry to Torrance.
3. STIMULATE citizenship participation in an effort to improve civic pride, whereby citizens become active in civic affairs. This in turn would develop a community image emphasizing Torrance as a new, growing metropolitan area.
4. Encourage property owners to improve the appearance of that property which is occupied and also unoccupied land.

SESSIONS WILL continue throughout the month of August whereby consensus of professional industrial people will be sought of over 2,000 businesses in the city of Torrance. Hal Frenz said that the basis aim of these programs is to compile information so that a program of work can be written for the Torrance Chamber of Commerce in September.

# Car Hits Pole, Occupants Hurt

Six persons were treated at Harbor General Hospital Saturday for injuries suffered when a car struck a high tension pole on Artesia St., 120 feet east of Prairie Ave.

The driver, Simone V. Moraga, 39, of 1516 Lomax Ave., Redondo Beach, told police he went to sleep and lost control of the vehicle. Injured, besides Moraga, were Anglita, 39; Rosario, 10; David, 8; Renaldo, 2, and Anthony Moraga, 1, all of the same address. The accident occurred about 11:30 a.m.
