### Freeway Barriers Slated For Construction Soon

Contracts were awarded by the State Highway division last week for the construction and installation of safety barriers on the Harbor Freeway. The low bid of \$562,712 was submitted by the Wulfert Co. of San Leandro.

Installation of the barriers will provide increased protection for motorists using the world's most heavily traveled roadway. The installation will begin at 120th St.

Supervisor Kenneth Hahn, in whose district most of the new work is located, has repeatedly urged the installation of the barriers and emergency telephones. He has recently writ-

### Street Lights Being Sought

Forty-nine additional street lights may be installed in the Lomita Lighting District if a petition of approval now being sought is granted. The new lights are being requested by property owners in the district.

ten to the State Highway division urging these needed barriers and phones.

The contract also includes the construction of barriers on the Santa Ana Freeway from the interchange to Rosecrans.

### Two Guests To Speak Here Sunday

The Narbonne Avenue Baptist Church of Lomita will have two guest speakers on Sunday. Fred Wildemuth, president of the Gideons of Los Angeles, will speak at both the 8:30 and 10:50 a.m. services. Wildemuth is serving his third term in the highest office of the Los Angeles Gideons.

The Rev. Floyd Rolf will speak at the 7:30 p.m. service. The Rev. Mr. Rolf is a frequent speaker for the Lomita congregation. The pastor, Robert A. Wells, is on vacation in Idaho.

### Lesson-Sermon On Man Slated Here Sunday

"Ye are my witnesses, saith the Lord, that I am God." These words from the prophet Isaiah (43:12) are the Golden Text of the Lesson-Sermon on "Man" in all Christian Science churches on Sunday.

Strong assurance of man's God-given right to conquer every form of evil will highlight the sermon.

Scriptural selections include these striking words of Paul to the Romans (8:35, 37). "Who shall separate us from the love of Christ? shall tribulation, or distress, or persecu-

tion, or famine, or nakedness, or peril, or sword? . . . Nay, in all these things we are more than conquerors through him that loved us."

Mary Baker Eddy declares in a correlative passage from "Science and Health with Key to the Scriptures," "Spiritual man is the image or idea of God, an idea which cannot be lost nor separated from its divine Principle. When the evidence before the material senses yielded to spiritual sense, the apostle declared that nothing could alienate him from God, from the sweet sense and presence of Life and Truth" (p. 303).
