Thrifty Drugs Gives Driver Safety Awards

Thrifty Drug Stores, the West's largest drug, variety and junior department store chain, presented safe driving awards to 31 company truck drivers at an Ambassador Hotel breakfast session.

Bernard Stillman, traffic manager of the huge firm, made the presentation and disclosed the awards collectively represented 194 years of accident-free driving experience.

Top awards were presented to Luther Roberts, of Burbank, driving, and to James Cooper of Whittier, who was cited for 13 years of accident-free driving.

Officer Nick Roderman, of the Traffic Education Division of the Los Angeles Police Dept., delivered the key address stressing the many aspects of safe and courteous driving and the importance of maintaining an attitude of "defensive driving."

Manager Stillman revealed that Thrifty's record for safe driving was established during an all time one year high of 820,000 miles.

In presenting the awards, Stillman said, "We at Thrifty are extremely proud of the safety records of our drivers. Driving through thousands of miles of city streets and freeways every day takes know-how and alertness to avoid accidents. The accomplishment of our drivers clearly shows they are constantly alert to avoid accidents and are applying the principles of safe driving."
