## 'Truth for Today' Lecture Series To Open Here on Sunday Evening

Saturday night, Sept. 16, at 7:45 p.m., will mark the opening of the "Truth for Today" Bible Lecture Series that is being conducted by the Hardy-Roy Evangelistic Team.

Gerry Hardy, the speaker for the series, has lived in England during the major part of his life. The fact that he went through the terrifying months of the Battle of Britain enables him to look at life both from the standpoint of peace and of war and to analyze the effect it can have on a person.

Hardy's opening lecture is entitled "Facing the Future With Confidence." It deals with the solution to the frustration that is seen in the social, political, physical, economical, scientific and religious worlds in which we live.

HARDY STATES that the platform for each lecture is the

Holy Book, the Bible. These meetings will be held in the big Bible tent, which is located on the corner of Sepulveda and Hawthorne Bldvs., just across the street from Del Amo Shopping Center. The event will continue each Sunday, Tuesday, Wednesday, Friday and Saturday nights.

Ernie Roy, the music director, is comparatively new in this area, hailing originally from New England. He has spent six years in Canada and three years in Ohio, where he was the soloist for the "Rays of Light" radio program.

Ernie will be the soloist for the Crusade and will present many favorite gospel songs

THE HUGE tent that seats several hundred will be heated on cool evenings. A three-bedroom home has been rented and will be used exclusively as

a supervised nursery for children through eight years of age. It is furnished with baby beds, play pens, play tables, and a piano. Plans are to have selected movies each night for the children.

Carefully supervised programs for the younger children during the meeting each night will permit parents to relax and enjoy the adult programs.

FOLLOWING IS a list of subjects for the coming week:

Sunday night, Sept. 17, answers the great question for which many people are unable to find satisfactory answers, "What Is the Cause of All Suffering?"

Tuesday night, Sept. 19, "The Race for Space."

Wednesday night Sept. 20, "From Slavery to Freedom." Mr. Hardy plans to tell of his recent visit to San Quentin's

gas chamber.

Friday night, Sept. 23, "The Bridge That Will Never Cave In."

Saturday night, Sept. 23, Mr. Hardy presents a vital topic in lieu of the present world situation. It is entitled, "The Destiny of Russia, Europe and the World."

MR. HARDY stated that it is surprising how many people do not realize that Russia and many other European countries are mentioned in the Bible. This has for the past several years been one of the most popular lectures and a good turn-out is expected for this lecture.

It was also pointed out by Mr. Hardy that the public is invited to attend each of his lectures—the admission is free and there is nothing to buy. One of the features of the ser-

ies is that those who attend these lectures regularly will be able to receive many beautiful books and pictures, as well as a beautiful Bible.

Those desiring information or transportation to these meetings may call Crusade headquarters at FR 8-8038.
