

American Votes Interest Rates

The board of directors of American Savings and Loan Assn. has voted to continue the current yearly interest rate of 4 1/2 per cent for the fourth quarter of 1961, executive vice president Lowell S. Peterson announced yesterday.

Third quarter interest payments to some 110,000 savers amounted to more than \$2.5 million, he said, highest in the association's 41-year history. He reported current resources of \$309,447,555 and reserves of \$26,247,591, compared to \$242,655,569 in resources and \$21,927,682 in reserves at the same time last year.

American Savings is headquartered in Whittier and maintains branches in Azusa, Hawthorne, La Puente, Manhattan Beach, Montrose, Norwalk, Palmdale, Redondo Beach, Redondo-South Bay, Temple City, Whittier, East Whittier, and Garden Grove.

Speech Coach Optimistic

"North High School is looking forward to an outstanding year in competitive speech," Lehr Mushrush, North High's speech coach, reported yesterday.

Among his reasons for optimism is the fact that he has three students returning who qualified for state competition in the past. They are Yvonne Collette, Claudia Wilkins, and Dale Basinger.

North High also has three students who attended University speech program over the summer. One, Judy Morgan, traveled to Missoula, Mont., to receive her instruction.

Other returning lettermen this year are Bud Baumgarten, Pete Gregora, Maureen Bereskin, Sharon Flemmons, Kathy Golphene, Karen Jackson, Sandy Rayes, Judy Wolford, Irvin McClendon, and Jerry Lemberger.

Woman Suffers Minor Injuries in Collision

Nina Rickels Gohl, 33, of 620 Palos Verdes Blvd., suffered minor injuries Monday in a two-car accident at Hawthorne Boulevard and 190th Street. She was treated by a private physician. Driver of the other car involved was Viola Hayden Larsen, 59, of 908 Via Rincon, Palos Verdes Estates.
