

# Saxons Tangle With IHS In Bay Loop Grid Crucial

North High's football squad travels to Inglewood tomorrow night in hopes of continuing their victory skien. Kick-off time is slated for 8 at Sentinal Field.

champion. Inglewood figured to ride along on the strength of the passing of Troy Winslow and pass catching ability of Bob Kaiser. So far they have done just what was predicted. The Sents blanked Lennox 28-0, trampled Torrance High 33-6, and slipped by South last

week 25-19. North has dumped Warren and Mira Costa by identical 20-13 scores.

INGLEWOOD will outweigh the Saxons by 10 pounds a man in the line and some 40 pounds a piece in the backfield. The potent Sent offense will put the Saxon defense to the acid test. North counters with a good line, and some mighty mites of their own. Left half Joe Castorena has averaged 6.5 yards a carry on 18 carries. Junior fullback Doug Ball has proved a great addition on offense as he has averaged eight yards a carry on 12 trips.

NORTH HELD Larry Cox of Mira Costa to five completions in 19 attempts last week as they intercepted five. Deep backs Mike Jacobs, Skip Mooney, and Mike Cox will face another top QB in Winslow this week.

Coach Bob Shoup attributes the Saxon defense to a big share of the team's success. Jeff Bell has filled the quarterback role very well also. Coach Shoup feels that the Saxons "are an average ball club, that has great spirit and desire."

LAST SEASON an underdog Saxon squad completely dominated Inglewood and rolled up a 19-6 victory. Inglewood went on to the CIF playoffs. This year the Sents appear stronger in all departments and should walk off with the Bay crown.

When questioned as to the outcome Shoup remarked, "We believe that it is possible to win. Our line should remind Winslow of some of the bruises he got last year when he watched most of the game from underneath several Saxons. Inglewood is certainly one of the top teams in the CIF, but we relish the idea of playing against the best."

## Knights Duel Bishop Amat

By JIM FRENCH  
Bishop Montgomery's grid teams travel to Bishop Amat for the last preleague game of the year tomorrow night. Although defeated by Amat last year, the Knights feel confident of victory against this formidable foe.

On Saturday night, at Cantwell High, the Montgomery eleven was defeated by the Pioneers of San Gabriel Mission by a score of 27-0. Although the Knights were soundly defeated, they put up a gallant defense.

Halfback Louis Mortillaro scored three touchdowns, halfback Wally St. Clair scored one, and Mitch Taylor made all three conversions.

Montgomery's determination was evident in the performance of John Clark, Dick Carbajal, and Ron Wilson.

The Bees also met defeat at the hands of Mission.

less East Los Angeles in the Huskies' Stadium.

The Harbor gridgers, the surprise team of the Metropolitan Conference, after winning two practice games and being ranked as high as fifth in national JC ratings, got off to a 13-point lead in the first quarter against Santa Monica Friday night before their dream came to an end. It was principally the inability to defend against the pinpoint passing of Corsair quarterback Rand Carter that brought on the 20-13 defeat.

"We had their running pretty well stopped," said Coach Joe Berry, "but it was Carter's passing that beat us."

EAST LOS ANGELES lost their first game to L. A. City College, 7-14, and its second to Pasadena, 0-14. In losing to defending champion Long Beach Saturday, 16-22, they came closer to what may be the best JC team in the nation than any other opponent has.

After All-Conference backs Dee Andrews and Lonzo Irwin ran up three touchdowns in the first half, the Huskies roared back in the last quarter to score 16 points. Both Husky touchdowns were scored by halfback John Jones, one on a

3-yard run and the other on a 17-yard pass from quarterback Nick Uruburu.

URUBURU, who starred at Mary Star of Sea High in San Pedro, is one of three Harbor area players on the Husky squad. Others are Tony Perkov at guard and Todd Androvich at end, both from San Pedro High.

Harbor's scores came on two passes. The first was a one yarder to Tony Martin climaxing a 59-yard drive after the opening kickoff. The second was almost all Charles Cunningham's. Cunningham recovered a fumbled punt on the Santa Monica 37, took a pass from Frazier on the 21 and then another on the 10 from where he crossed the goal line.

Once again the outstanding defensive player on the field was Mike Ferragamo, Harbor linebacker who made bruising tackles all over the field.

# Spartan Pigskinners Host Bay Title Pick

Pity poor South High! Spartan gridgers have the misfortune of meeting the two top elevens in the Bay League on successive weekends. Last Friday it was Inglewood who walloped South 25 to 18 and tomorrow night, the Spartans host Hawthorne, picked by all the experts to capture the loop crown.

Cougar coach Otto Plum boasts a squad that has a veteran at every position at end and is ranked possibly stronger than the 1959 CIF runner-up juggernaut.

Seven letter winners inside the ends make Hawthorne tough. Dan Dye, 230-pound pivot man, is the only man over the 200-pound figure, but other linemen tip the scales at 195, 185 and a pair at 165.

Ron Petch, Jim Reale and Franz Russell, all returning front-liners and seniors, give the Cougars a devastating ground attack.

Last week against IHS, it was just a case of too much Troy Winslow as the Sentinel quarterback threw for four touchdowns to eliminate the Spartans, rugged bid for an upset.

South will combat Hawthorne's experienced line with a line praised by Inglewood coach Bill Peters as being "Hungry and wanting to hit." Phil Fish and Harvey Seigel, two scatbacks, will try to keep SHS on even terms with Hawthorne in the scoring department. Each tallied once in the losing cause last week.

Game time will be 8 p.m.

**WATER FOR PROTECTION**

Literally, a "water curtain" safeguards your home — and your job. Fire damages or destroys more property each year than any other cause. Effectively organized fire protection — backed by an unlimited supply of water — builds a protective curtain of water around every home, factory and farm in this community.

In peace or war, water is your first line of civil defense. You'll sleep better tonight because Dominguez Water Corporation makes sure — as it has for 50 years — that plenty of water is always available when needed.
