the boss

BOSSSES ARE PEOPLE other people work for. They aren't really mean, stingy and impossible to please. It just seems that way. When the boss goes away, everybody runs to the water cooler or drinks coffee. If you're a boss, the shoe's on the other hand. Then you have responsibility and you have to put in hard days at the office. A good way to relax in the evening is to read the newspaper. It's pleasant. And the most pleasant newspaper in Torrance is the Torrance Herald. It has more news and features to make bosses feel better, so more bosses read it. More secretaries, clerks and receptionists do too. And no wonder, for the Herald is out front by far in circulation (it provides the only audited home delivery solid coverage of the Greater Torrance area). You can count on more from the Herald because more goes into the Herald!
