Don J. Reining, manager of the Torrance Chamber of Commerce, has been appointed to the communications evaluation committee of the American Chamber of Commerce Executives, according to an announcement by W. Scott Christopher of Tampa, Fla., president of the national association.

"Mr. Reining has distinguished himself in the field of chamber administration, and we are pleased to call upon his knowledge and experience in furthering the work of our organization," commented Christopher.

It is the purpose of this committee to encourage Chamber of Commerce executives to improve their communication processes by offering, each year, a contest in some form of member communication.

The American Chamber of Commerce Executives is a national management association of some 2,250 local chamber executives. It is dedicated to the principle of the development and enforcement of ethical standards of practice and the maintenance of high educational standards.

stricter control of children because of the presence of the bridge.

Continued study of the problem was promised by the councilmen.

CRITICISM of luncheon meetings held monthly by the Torrance Traffic Safety Council was voiced by Councilman Victor Benstead. He challenged the legality of the meetings, stating he thought they were in violation of the Brown Act, which prohibits secret meetings of legislative bodies. Benstead asked the city attorney to submit a written opinion on the legality of the sessions.

The traffic safety group holds a monthly luncheon meeting to discuss problems in that field, and to hear experts in the field.

REPRESENTATIVES of the city's service clubs, PTA units, and other civic groups comprise the membership of the organization, and half a hundred normally attend the meetings.

Six Named

Six new members have been elected to serve the Lomita Chamber of Commerce during the next two years, it was announced yesterday by Dr. Odys Rich, president.

New board members include Claude Brady, Charles Cederlof, Ray Ferrin, Don McKnight, John Ryan, and Cy Hopkins. Cederlof is a past president of the group.

Members of the board who will continue to serve include Vince Bauchiero, Linden Chandler, Jim Cole, Lowell Goss, and Ed Gregory.

Driver of the other car involved was Dean Edward Saddler, 47, Gardena.

The accident occurred about 11 p.m. at Pacific Coast Highway and Calle Mayor.

requires," a school administrator said.

Dr. J. H. Hull, superintendent of the district, told board members he did not believe the district could afford to stay on the state program.

A RECENT state ruling requires a unified district to participate at all levels. The Torrance district has been using the program only for elementary construction.

The trustees also decided to withhold action on a request by the County Board of Supervisors that they comment on the proposed \$400 million bond issue for fallout shelters.

More scientific opinion on the usefulness of such shelters should be obtained before a decision is made, board members indicated.
