CODE OF ETHICS
1. To promote good will between the motorist and members of this organization.
2. To establish and perform high quality repair service at a fair and just price.
3. To use only proven merchandise of a high quality, distributed by reputable firms.
4. To furnish an itemized list of all parts and mechanical adjustments included in the price charged for service rendered.
5. To have a sense of obligation to each individual customer.
6. To employ the best skilled mechanics obtainable.
7. To encourage ethical trade practices and to discourage and refrain from misleading advertising.
8. To provide a medium whereby the members may exchange freely their ideas to enable them to render a more efficient service.
