Church Sets New Hours For Evening

FORMAL APPROVAL was granted to precinct maps calling for 93 polling places at the April municipal election. A new policy limiting use of city cars at night was adopted on the recommendation of City Manager Wade Peebles. Under the new plan, only persons subject to emergency calls at night will be permitted to take a city car or vehicle home. **THESE INCLUDE** the police chief, assistant police chief, fire chief, deputy fire chief, and the fire marshal, who will be permitted to maintain a city vehicle on a 24-hour basis. Foremen and sub-foremen on 24-hour call can take vehicles home but must assume full responsibility for tools in the vehicle. Emergency crews for the water and sewer departments will have one vehicle for each department on 24-hour duty; and other personnel only when on city business and for special cases.
