

STICKY PROBLEM . . . Motorists at Ermanita Avenue and 182nd Street became bogged down in mud where a pipeline was put into the ground and dirt filled in but not repaved. Another car, background, had just been pulled from the mire. The incident occurred about 4 p.m. yesterday after a steady rain started in the morning and continued all day. (Herald Photo)

Mrs. Friend to Direct Residential Fund Drive

Mrs. James R. Friend of Hollywood Riviera will serve as American Cancer Society Residential Crusade Chairman for District 8, H. P. Atherton, chairman of the district crusade, announced today.

Mrs. Friend appealed for assistance in the residential crusade from men and women in all parts of the district. The house-to-house, block-by-block canvass is set for Monday evening, April 9. At that time the society wants to reach every home in the cities included in District 8.

24,000 Books En Route to Philippines

More than 24,000 textbooks, urgently needed in the Philippine Islands, were donated by good friends and neighbors in Bellflower, Lakewood, and Long Beach, in conjunction with Dr. Margaret O'Rear, deputy superintendent of the Bellflower Unified School District, UCLA, USC and the Long Beach Public Library. These books were collected over a three-month period under the project name of "Operation Handicap" in an all-out effort to assist in alleviating the desperate need for school books in the Philippines.

THE DISTRICT

consists of El Segundo, Hermosa Beach, Manhattan Beach, Redondo Beach, Hawthorne, Inglewood, Lawndale, Playa del Rey, Westchester, Palos Verdes Estates, Portuguese Bend, Rolling Hills, Gardena, Harbor City, Hollywood Riviera, Lomita, Torrance, and Walteria.

... Election

Sam Miller, public relations director of The Boys Market, supervised the project with the cooperation of Chaplain E. W. Andrews, Commander, U.S.N., Long Beach, who made arrangements to have these books loaded onto the U.S.S. Okanagan at Todd Shipyards in San Pedro.

Upon the arrival of the much-needed books in the Philippines they will be turned over to the Commander of the Pacific Fleet for allocation to the public schools of the Philippine Islands.

... Board

and floors. Items stolen from schools included typewriters, wood chisels, flashlights, food and small amounts of change.

Damage cost the district \$139 while stolen items cost \$1,536. In a majority of the cases parents who had been billed for damages had paid.

... Values

worth more than \$280,000 an acre, Drale agreed to pay it.

"I have no choice," he told his colleagues. Although sympathetic councilmen sought for a way to ease the burden, there appeared to be none.

"And to think, I recently signed a deed transferring 24,000 square feet of Redondo Beach Blvd. property to the city for \$1," Drale moaned later.

He was given 90 days to pay the \$640 to the city.
