Walterian to Head Area Dry Cleaners

Tom Jones, active in Walteria civic affairs and operator of the Walteria Cleaners, has been installed as president of the South Bay Dry Cleaners Assn., succeeding Guy W. Brundage of Redondo Beach. He was elected without opposition at the annual organizational meeting of the group at the Polynesian. Elected to serve with him were Charles Beck, vice president; Mildred Stucker, secretary; Paul Patterson, treasurer; and directors Wilbur Jones, Oliver Coury, C. E. Bowen, Harold Burns, William Gilvert, Fred Oakley, and Brundage. Dale Hushaw, teacher of dry-cleaning technology at the Los Angeles Trade Tech, spoke to the group about his experiences last fall when he was selected to supervise installation of a large number of dry cleaning machines in Moscow. He spoke of the problems he faced when he sought to overcome a shortage of tools, lack of welding equipment, plumbing supplies, and other equipment to install the machines.
