## Combo Guides ECC Into Fifth Position

When the chips are down, El Camino's swimmers are there with a pat hand—Sheeley, Viren, Allred and Graham. Using the advantage of their own pool to its fullest extent, the combo sky-rocketed the Tribe into fifth place as competition ended Friday night in the ECC-hosted state Junior College Swimming Championships.

Cappy Sheeley, Tom Viren, Bob Allred and Jim Graham all came through with tremendous performances as the Warriors reached heights Coach Rudy Kroon could only describe as "remarkable."

## Hollywood Park Initiates Season

Hollywood Park, the nation's most popular race track for the past eight years, was in readiness today for its 23rd season of thoroughbred racing which will begin Wednesday when Starter Sid Swanson sends the first field flying at 1:45 p.m. James D. Stewart, vice-president and general manager announced that the "Track of the lakes and flowers" was prepared to defend its two national championships, leadership in daily average attendance and purses paid to horsemen, and forecast a banner season for the 55-day summer session.

### MULTIPLE CAUSE

There is no single cause of cancer, "for cancer is not a single disease any more than fevers and inflammations," says the medical journal, "General Practice."

northern invader from Los Altos, paced the proceedings with 51½ points with Long Beach (34½), Santa Monica (31), Valley (20) and El Camino (18½) trailing.

At the close of the opening session on Thursday, the Braves were tied for second. Viren clocked an 18:36.7 in the 1500 meter freestyle to take third and Sheeley garnered a fourth spot in the 200-yard individual medley with a 2:11.7 performance and EC was the surprise of the tourney.

CONTINUING to pour on the coals Friday Sheeley took second in the 200-yard butterfly, Graham tied for fifth in the 50-yard freestyle and Allred picked up a second in the diving competition.

Sheeley and Graham both faced record-breaking performances in their events.

Bakersfield great, George Spear, beat Sheeley to the wire in the butterfly, setting a new national and state mark with a 2:01.9 clocking. Sheeley finished in 2:04.4, five seconds under his previous best.

THE OLD national and state mark was 2:04.0 held by Santa Monica's Jerry Fredericks and set in 1961.

Jim McGrath, Valley sprinter, tied a national and state mark in the 50-yard freestyle, duplicating Bill Wucherpfennig's 22.5 time, set by the SMCC ace last year.

## Phillips Signs With LA Rams

Jim (Red) Phillips, who won the 1961 NFL pass catching title with 78 connections, the second highest in league history, has signed contracts with the L.A. Rams for the 1962 and 1963 seasons, it was announced yesterday by general manager Elroy Hirsch.

Phillips, with 202 catches in four NFL seasons, is second only to ex-Ram Tom Fears, who ended his career with a total of 400.

## THS Takes Third, Aviation Wins Title

Matters certainly did not go according to Hoyle in Friday's Pioneer League track finals at Palos Verdes.

Aviation did win handily as expected, but after that, the odds went out the window. Palos Verdes, picked to battle it out with Torrance for third, swept into the second place position, while the Tartars were zooming into the show slot.

Culver City, expected to give the Falcons a battle for the loop crown, could pull no better than a fourth place.

AVIATION wound up with 76 points, Palos Verdes earned 49, Torrance captured 41 and the Centaurs corralled 36.

Managing three firsts on the way to the show position, the Tartars fared surprisingly well considering two of their big guns were out of the meet.

TONY BAREFORD, second in the state 880 last year, was forced out of the half just prior to the 440 mark when his injured leg began to bother him. Larry Ascolesi, a sure point-getter in the sprints and broad jump for Torrance, did not even compete in the preliminaries due to dehydration of his body.

Three Tartars came through in the clutch to boost the locals over Culver.

Dennis Dyer came from far off the pace in the mile to take the lead in the closing inches and won by a hair-breadth over slipping Centaur Dwight Walsh. Dyer finished in 4:31.5, while Walsh hit the end just .1 of a second behind.

ANOTHER come through performance, this time by George Ojard in the shot put, gave Torrance another victory. Behind Aviation shot putter

Bob Evans, with only one throw remaining, Ojard unleashed a tremendous 54.4 effort to walk away with top laurels. The Tartar strongman's heave was almost a foot farther than his previous official best.

JERRY ASCOLESI, the top scorer for the Tartars with two thirds and a tie for first, garnered his win in the high jump when he deadlocked with two other sky-climbers at 6-feet.

Ascolesi came through with two of his finest performances of the season in the hurdles, but it was to no avail.

THE STORY was much the same in the 180-yard small lumber battle as Hahn once again won in 19.5 with Skinner second in 20.6 and Ascolesi trailing in 21 flat.

Bob Henderson displayed a brilliant stretch kick to capture second place in the 880 for THS. Henderson came through a la Dyer to take second behind Aviation's LeRoy Timm. Timm galloped the distance in 1:59.4 while Henderson streaked across the finish in 2:01.2.
