At a recent meeting of the National Assn. of Educational Secretaries a proclamation was drafted whereby educational secretaries are to honor their bosses during the week of May 20 through May 26.

In the February issue of the magazine, National Educational Secretaries, a list of suggestions and ideas for celebrating this week were offered in hope that Educational Secretaries in all cities of the county would "Pick Up the Ball" and do something special for their bosses to show their appreciation.

Even though some of the secretaries within the South Bay Chapter NAES have already held events honoring their employers, Mrs. Harry Crook, president, and Mrs. David Baggett, vice president, supported by the members of this chapter, have urged that something special be done during the week of May 20 to May 26 to honor the National Association's proclamation.
