ANNA HAUSE
 ... Leaving Torrance

Teacher Takes Principal Post

Mrs. Anna Hause, teacher at Hamilton Elementary School, has accepted an appointment as elementary principal of the Palm Elementary School in Beaumont, Calif.

Since arriving in Torrance in 1955, Mrs. Hause has taught fourth and fifth grades at Casimir Elementary School and seventh and eighth grades at Hamilton Elementary School. Prior to that, she had 10 years of teaching experience in Pennsylvania.

She received her bachelor's degree at Indiana State College in Pennsylvania and her master's degree at the University of Southern California. She is a member of Delta Kappa Gamma, a professional woman's education association, and was recently awarded the Parent Teacher Assn. life membership.

Prior to taking over her duties in Beaumont next fall, Mrs. Hause plans to tour Europe during the summer.

Southwest Mixer Wins

For the second time in four years a Southwest area bartender faced professional drink-mixers in statewide competition and won first place with a "golden" concoction.

Leroy Charon, bar-manager at the Marineland Restaurant, won top honors in the annual California Bartenders Guild cocktail contest with his "Golden Amber." The locale also won the highest award in 1959 with another drink, "Golden Dream."

THE TRIUMPH was achieved against 59 other mixologists and before 600 spectators gathered at the Ambassador Hotel's Coconut Grove. First prize includes a four-foot trophy, a \$1,000 check, and a trip to Hamburg, Germany, where Charon will compete in the International Bartenders Assn. trials on Nov. 16.

Charon's victorious creation, "Golden Amber," now featured at Marineland Restaurant, consists of one and one-half ounces of Demarra rum and one-half ounces each of orange juice, pineapple juice, and orange syrup. Shake well over crushed ice and pour. The orange syrup has a rich almond flavor and, according to Charon, brings out the true feeling of the drink.
