### 'CADILLAC' PLAY SET AT QUIVERA

The comedy, "Solid Gold Cadillac," will be presented at the Quivera Playhouse, 2236 S. Pacific Ave., San Pedro. June 29. Tickets will go on sale this Friday at the playhouse.

A miniature gold Cadillac, which actually runs, will be given free to the first ticket purchaser and to the buyers of each 100th ticket sold during the run of the show. The miniature autos will be on display in the lobby of the theater this weekend.

Final presentations of the Max Shulman comedy, "The Tender Trap," are scheduled this Friday, Saturday, and Sunday nights. Performances start at 8:30, with tickets available at the door.

### Helen Keller Play Slated

The Chapel Theatre will open its second season in its home at 4164 Pacific Coast Hwy. next September by presenting "The Miracle Worker," the story of Helen Keller as a child, according to Don Gish and Steve Sands, co-producers.

Tryouts will begin Sunday, July 8, at 2 p.m. and Monday, July 9, at 7 p.m. at Chapel Theatre for the role of the child. Due to the extreme difficulty of the child's role, Gish, who will direct this play, wishes to find the child to play the lead of Helen Keller before general tryouts are held for the remaining roles. Parents who are interested in bringing their children for reading might take them to the movie presently playing at the Fine Arts Theater in Hollywood, and to study the ways of the blind, which would be most beneficial to the child. As there are no speaking parts, pantomime is the most important part of this role. Other children's parts will be available.
