

L.A. Schools Begin Summer Class July 9

More than 130,000 students will return to school next Monday when 179 schools in the Los Angeles City School System begin a six-week summer session.

The summer program will be conducted at all levels — elementary schools through junior colleges — and will continue through Friday, Aug. 17, Supt. Jack P. Crowther stated.

EMPHASIS in the summer session will be placed on improving academic skills as well as providing opportunities for students to overcome grade deficiencies.

An important requirement for all students attending the summer session, the superintendent said, is verification of polio immunization. This is in compliance with a new State law.

PRE-REGISTRATION for pupils who expect to attend summer session classes at junior and senior high school levels will be held all day tomorrow. Students will be registered in this order:

Junior High Schools — 9th grade students, 8 to 10 a.m.; 8th grade students, 10 a.m. to 12 noon; 7th grade students, 1 to 2 p.m.; and all students who missed the earlier registration after 2 p.m.

Senior High Schools — 12th grade students, 8 to 10 a.m.; 11th grade students, 10 a.m. to 12 noon; 10th grade students, 1 to 2 p.m.; and all students who missed the earlier registration after 2 p.m.

Anniversary Meeting Set

The Southwest Park Pigeon Fanciers Assn. will hold its regular meeting tomorrow evening at the Hawthorne Recreation Hall. The program will begin at 7.

William Hague, well-known authority on swallows, will speak. Refreshments will be served, and anyone interested is invited to attend. The meeting marks the first anniversary of the group.
