## Cafe Celebrates Remodeling, New Facilities Shown

Completion of extensive remodeling and refurbishing program at Charley's, popular downtown restaurant at 1625 Cabrillo Ave., is being celebrated this week.

A gala pre-Fourth party Tuesday night served to introduce the new facilities to the public. It also served to introduce Buddy Nolan who has been signed to perform nightly except Monday at the piano bar in the cocktail lounge. Nolan will feature his unique piano and organ stylings from 8:30 to 1:30 each evening.

Remodeling of the restaurant, which has been under way for several months, provided a redesigned and enlarged cocktail lounge featuring the piano bar and fire pit; and new booth and table seating in the dining areas which can accommodate nearly 200 persons.

THE RESTAURANT will be open from 11 a.m. daily for luncheons, and from 1 p.m. on Sundays. Dinner will be served from 5 p.m. until midnight.

Featured on the menu will be prime rib and steak dinners.

Owner Charley Gotts, who has been in business at that location since 1944, said the new facilities should enable him to serve better the many luncheon and dinner customers of the area.

THE ENTIRE building has been air conditioned and new lighting installed to make dining a pleasant experience, Gotts said.

On hand to greet friends with Gotts at the newly remodeled restaurant this week is Wayne Davis, who has been associated with the business for the past 12 years.
