*WHAT WILL  
HER LIFE BE LIKE  
IN THE  
ALL-ELECTRIC  
FUTURE?*

Before her 10th birthday, she'll probably push a button and see a complete meal arrive automatically at the table. By the time she's married, an electromagnetic housekeeper will awaken her, prepare the toast and coffee, open the garage door and warm up the car. These new ideas in modern living depend on electricity.

The electric industry continues to lead in the research to find new ways to produce and use electricity. And logically so. Electricity is our business.

We have already produced it a number of new and different ways, involving the use of fuel cells, nuclear energy, thermionic conversion and magnetohydrodynamics. Whatever the source, electrical energy is limitless, and Southern California Edison will continue to bring you an abundant, dependable supply at the lowest possible rates.

**Day Camp at Park Hosts Area Girls**

Campfire Girls from the Harbor District began their annual day camp at Torrance Park last week. More than 350 girls attended the sessions.

In addition to the usual activities — outdoor cooking, nature study, exploring, hiking, and crafts work — the girls had several special guests.

MRS. GERTRUDE Sperling, a "rock hound," visited the campers to talk about rock collecting, and members of the U.S. Coast Guard gave the girls short talks on their duties to civilians. A conservation group was led by a member of the State Department of Fish and Wildlife Service.

For the younger girls it was their introduction to camping skills and fun. Adult leaders supervised the day camp and directed the activity groups.

THE GIRLS cooked their own lunches over fires they built, and made a number of varied articles in craft classes.

Information on the Campfire Girls program may be obtained from the District Director, Cynthia Keyes, at 4632 W. Century Blvd., Inglewood, or by calling the office at ORchard 4-4450.

**Bank Declares Quarter Dividend**

Security First National Bank's board of directors this week declared the regular quarterly dividend of 40 cents per share on common stock, payable Aug. 4 to shareholders of record July 17.

**CRAFT CLASSES . . .** A small group of the more than 350 girls who attended the Campfire Girls day camp at Torrance Park last week are pictured here during a craft class. The girls also spent their time studying plants and learning cooking skills. The camp, an annual affair, was led by adult counselors. The girls represent all cities in the Harbor District. **Second Film Airport Days Date Set; In Series on Plans Being Formulated Acts Slated**

The second in a series of color films currently being shown at the First Baptist Church will be screened Wednesday at the church's mid-week service.

The series, "The Book of Acts," tells the story of the Apostles and the early church. The Wednesday evening film is entitled "A Faithful Witness," and visualizes Philip's preaching to the Ethiopians.

The Rev. Robert Dehn, pastor of the church, explained the meeting would be held in the Fellowship Hall in order to accommodate everyone. The services begin promptly at 7 p.m.

The public is invited to attend. The nursery will be open.

**Dominguez To Get New Stop Signs**

New stop signs are slated for a number of streets in the Dominguez area, according to Supervisor Burton W. Chace.

The signs, designed to reduce traffic hazards in the area, will require all motorists to stop before entering either Harbor View or Prospect Avenue in the area between Carson Street and Dominguez Street.

The County Road Department will install the signs in the immediate future, reported the supervisor.

Streets affected by the new regulations include Tyler, Harrison, Van Buren, Jackson, Monroe, Madison, Jefferson, Adams, and Washington.

Chace said the Board of Supervisors adopted the new regulations to control potential conflict due to increasing traffic volume in the area.

Final dates have been selected for the annual Airport Days celebration, according to Glenn H. Child, general chairman of the event.

Saturday and Sunday, Sept. 29 and 30, have been selected by the committee, and final plans are now being completed.

SELECTION of committee chairmen was also announced by Child. E. G. "Slim" Kidd will be in charge of exhibits; Jack R. Egan, airport manager, will head the facilities committee; and W. B. Hamilton, Ryan Aeronautical Co., is in charge of the public affairs committee.

Other chairmen include Robert K. Richardson, AirResearch Manufacturing Co., ways and means committee; Joseph M. Doss, vice chairman of the

general committee; Edwin W. Sullivan, coordinator; and Jack A. Meyer, assistant to the general chairman.

MAYOR ALBERT ISEN and Chamber of Commerce President Martin M. Denn have been named honorary co-chairmen of the event.

Assistants to committee chairmen include Mrs. Jean Clawson, publications; Jack A. Meyer, trophy awards; Homer Morgan, sound systems; and Jack C. Brown, in charge of a relief display of the airport.

Numerous displays are planned for the airport during the two-day celebration. Included in the exhibits will be a large map of the airport showing present facilities and future expansion.

**Torrance Boy Is Four Millionth to See Sub**

Eleven-year-old Arthur Ley Jr., 1215 Hickory, experienced one of the biggest thrills of his life last week when he found himself receiving almost as much attention as a new Hollywood star.

Young Ley found himself surrounded by cameras and newsmen during a tour of the Chicago Museum of Science and Industry. Ley and his parents, Mr. and Mrs. Arthur Ley Sr., along with his brother and sister, Larry and Gemma, were pounced upon as they entered the exhibition area of the captured German submarine, U-505.

ARTHUR BECAME the four millionth visitor at the exhibit when he walked through the turnstile. Newspapers, photographers, and newsreel cameras greeted him. Also in the group was Rear Admiral Daniel V. Gallery, USN, (ret.).

A number of gifts were presented to the young visitor, and they included a paperweight made from the U-505's

anchor chain, Admiral Gallery's book, "20,000 Tons Under the Sea."

THE U-505, captured by a Navy task force under Adm. Gallery's command in 1944, was formally turned over to the Chicago museum by an Act of Congress in 1954. Since that time more than 10,000 persons a week have viewed the large submarine.

**Wins Service Award Here**

Southern California Gas Co. has received the Founders' Distinguished Community Service award from the Community Relations Conference, officials announced this week.

The award was presented to W. R. Davis, executive vice president of the utility. Presentation was made at the 16th annual dinner of the conference.

The award was presented for "Distinguished achievement in service to the community, advancement of merit employment, sound human relations practices, and contributing to the program of the Community Relations Conference."

**Obituaries**

**AMY FLORENCE SWARTZ**  
Private funeral services for Amy Florence Swartz, 3, were held Friday at the Halverson-Leavell Chapel.

The daughter of Mr. and Mrs. Rodney Swartz, 18832 Haas Ave., she died Wednesday as a result of injuries received when struck by a car in front of her home.

In addition to her parents, she is survived by a sister, Helen; a brother, Paul; godfather Daniel DeLana, of Torrance; the paternal grandmother, Mrs. Marion Swartz, Redondo Beach; and an uncle and aunt, Mr. and Mrs. Alfred Clark Jr., of Conoga Park.

The family requested donations be made to the Torrance YMCA.

**DONALD QUINLIVAN**  
Funeral services for Donald Peter Leo Quinlivan, 73, of 4733 Highgrove Ave., were held yesterday at 1 p.m. in the Halverson-Leavell Chapel. The Rev. Kenneth W. Knox officiated.

Mr. Quinlivan died Wednesday at a local hospital. He had lived in the area for the past five years. A native of Minnesota, Mr. Quinlivan came to California in 1920.

Surviving are the widow, Gertrude, of the home; a son, Don, of Torrance; a granddaughter, Jane Erwin, of Torrance; and two great-grandchildren.

Interment was in Green Hills Memorial Park.

**... Slaying**

Continued from Page 1  
er., when Zirbes asked his wife where she had been, she said, "just out to see my boyfriend."

THE COUPLE'S son said they watched television for a brief time and then all went to bed. He indicated to officers that there had been no argument or quarrel.

Joseph said he had heard several loud reports about the time of the 2:30 a.m. shooting, but did not associate them with gunshots.

Officers found a .32-caliber automatic pistol in the house. Joseph Zirbes said it was usually kept locked in a strongbox in his bedroom. He said only his father had the key.

**Air Force Needs 500 Applicants**

Though today's air force is becoming more and more technical, there is a continuing need for well-qualified young men to fill key positions in the Air Force.

According to Staff Sgt. Cecil C. Mayberry, Torrance Air Force recruiter, the Air Force is seeking 500 applicants in the month of July in Southern California.

SELECTION criteria for enlistment is currently open to non high school graduates as well as those with high school diplomas. Applicants are given the Air Force qualifying examination. A percentile score of 40 or better in general, administrative or mechanic clusters, or a score of 60 in the electronics cluster is acceptable.

Applicants who pass the first examination are given the Armed Forces qualification test and a final score of 31 or better is required for enlistment.

TO QUALIFY for enlistment, applicants must be between 17 and 34 years of age, a U. S. citizen or registered alien, and meet the prescribed mental and physical standards.

Additional information on the Air Force airman program can be obtained through the Torrance Air Force recruiting station at 1319 1/2 Sartori St., or by calling the office at FA 8-1404.

**Sabbath Rites Slated Friday**

Congregation Ner Tamid of South Bay will hold Sabbath services on Friday evening at 8 p.m. at the Redondo Women's Club, 400 S. Broadway, Redondo Beach.

The topic of Rabbi Bernard Wechsberg's sermon will be "Triumph and Despair." Mr. and Mrs. Harlan Chermis will host the Oneg Shabbat following the service in honor of naming their newborn son.
