

600 Students Sign Up For Summer Jobs Here

The Torrance Youth Employment Service reported yesterday that more than 600 young people between the ages of 14 and 21 have registered for jobs in the first two months of operation this summer.

Lyle Albro, work experience coordinator for the Torrance schools, explained the office is serving both students seeking summer jobs and those looking for a part-time school and work program.

YES IS co-sponsored by the Torrance high schools, the State Employment Service and the Junior Women's Club.

Letters have been coming in from college students asking for references for summer work, and some job offers have been sent out. The office points out, however, that many more jobs are needed for students in this area.

EMPLOYERS who have full or part-time openings for boys or girls may contact the YES office at FA 0-1361. The office is located in the auditorium at Torrance High School. Hours are 9 a.m. to 1 p.m. Monday through Friday. Mrs. Dorothy Bechdorf staffs the office during the summer.
