IN THE MOOD... Highlighting their social activities for the summer, Mothers of Twins Club will invite their husbands and guests to join them for swimming, dancing, ping-pong and a barbecue Saturday evening at the Adli Swim Club. In the mood for the party are, from left, Mmes. Collins Dunn and Mrs. Alfred Cowgill taking a swim.

**Chapter Will Offer Course For Members and Guests**

**Twin Mothers Club Slates Swim Party**

A three-lesson course in self-improvement entitled "Three Steps to Charm" will be sponsored by Gamma Psi chapter of Epsilon Sigma Alpha beginning Monday, Aug. 20, at 8 p.m.

The series is shortened from a regular six-lesson course offered by Miss Jan Murdock, widely known lecturer and teacher. It includes figure analysis, personality types, makeup tips, body coloration, wardrobe planning, accessorizing, shopping wisdom, and other topics of universal interest to women.

Enrollment for this reasonably priced, stimulating and informative series closes Sunday, Aug. 19.

It is open to women of the area, other than members, according to Mrs. Russell Seyb, who may be contacted for further information.

Sommertime is relaxin' time for South Bay Mothers of Twins Club members, who will cap their summer social activities with a fun evening at the Adli Swim School in Welteria Saturday, Aug. 11. Members and their husbands have invited friends to join them in and around the three lovely pools at Adli Swim School and share in the outdoor barbecue and poolside dancing.

Co-chairmen Mrs. James Huserau of Torrance and Mrs. Robert Jackson of Rolling Hills have also arranged trampolining, volleyball and ping pong games for the expected 100 members and their guests.

At the August dinner meeting to be held at the International Pancake House in Torrance, the club will finalize its plans for the annual cocktail dance in September, the proceeds of which will be used for the club's main philanthropic project. The club has recently completed its selection for this year of a South Bay family which has 1 1/2-year-old twins as well as two other pre-school youngsters. The family will continue to receive help from the club as needed throughout 1962 and 1963.

For membership information, Mrs. Ronald Eisman of Torrance may be contacted.

Ruth is 22. Do you think she'll outgrow this or will she be this way forever? I don't think I could stand a wife who was always checking—**BRUCE**

**Dear Bruce: Understanding WHY she is like this helps, but it's no cure. This girl needs professional help.**

If she is reluctant to explore the program with a specialist you would be wise to unwind the romance—or prepare for a life of hunting and checking.

Individuals who are suspicious without cause sometimes develop over-active imaginations. After a while they are unable to separate fact from fiction. Then it's too late.

If alcohol is robbing you of some love of health and dignity, send for ANN LANDERS' booklet, "Help For the Alcoholic," enclosing with your request 20 cents in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope.
