Harbor City, Lomita Sets Chest Record

Harbor City-Lomita has taken its first step on the Community Chest success ladder. Business has gone over the top, achieving the 100 per cent mark first in the whole Harbor Area and second in all Los Angeles.

Business Chairman William H. Soady, business committeemen, the businessmen and employes, who together made the feat possible, today were congratulated by Harbor City-Lomita City Chairman Walter Scheppmann. Scheppmann is president of Local 905 of the AFL-CIO Retail Clerks; Soady is business agent.

Scheppmann said he is particularly pleased at this Harbor "first" for the two cities, because last year Harbor City-Lomita won three out of four area trophies, including the James Visceglia annual trophy for highest percentage of giving citywide. Visceglia is chairman of the Harbor Area Community Chest board.

Announced as residential workers prepared for a speedy clean-up following a rousing send-off of the residential campaign on "C-Day" last Monday.
