**MAGIC CHEF**

LAST CHANCE . . . Mary Mickie, known to thousands who have dashed across Border Avenue from the Columbia-Geneva Steel plant here for a quick cup of coffee or a tasty lunch, has announced plans to retire at the end of this month. She has spent 35 years just across the street from the steel company gates dishing up food and coffee for the workmen. (Herald Photo)

**Pep Boys to Open New Store Today**

With civic officials participating, the Pep Boys, Manny, Moe and Jack, will formally open their modern new Norwalk store at 11559 E. Rosecrans Ave. with a ribbon-cutting ceremony at 8:30 today.

Joining Murray Rosenfeld, Pep Boys' executive vice president and general manager, will be Macuen Freeman, mayor of Norwalk; Sherrill Watson, general manager of the Norwalk Chamber of Commerce; Miss Midge Smith, recently crowned "Miss Norwalk;" Morton A. Krause, director of Pep Boys' property management department; and his wife, Sandra, daughter of M. L. "Moe" Strauss, president and co-founder of the Pep Boys.

A huge 3-day Christmas Grand Opening Sale will start today and will also be celebrated by all Pep Boys stores. As an additional service to holiday shoppers, all Pep Boys stores will remain open evenings to 9 p.m. until Christmas.

ROSENFELD stated: "We are particularly proud of this new store. It is an expression of our faith in the continuing growth and importance of the city of Norwalk. The Norwalk store is our 44th in California, and the 126th nationally, and is the most modern, advanced structure Pep Boys have built to date."

The new facility, directly adjacent to Norwalk Square, encompasses 16,000 square feet and represents an investment by Pep Boys of more than a quarter-million dollars. Incorporating the latest structural techniques and air-conditioned throughout, the store includes a large, under-roof department for the free installation of tires, batteries, seat covers, mufflers, tail pipes and shock absorbers. Also, a spacious tire department has been included to meet the growing demand for Cornell Tires. Ample off-street free parking has been provided next to the store.

AS IN ALL other Pep Boys stores, the new store features merchandise for every member of the family—including a complete stock of auto accessories, parts and supplies; radio and television supplies; bicycles, wheel goods and toys; garden supplies, tools, lawn mowers and power mowers; hardware; and popular Cornell Tires, Cadet Batteries and Picadilly Seat Covers.

James McClancy, who started with Pep Boys in 1950, has been appointed manager of the Norwalk store. His staff includes Gerald Moreth, assistant manager, Phillip Miller, Manuel Renteria, Ronald Zimmer, and Leonard Paschall.
