Commission Approves Harbor Park Plans

Preliminary plans for the development of a portion of Harbor Regional Park were approved today by the Los Angeles City Recreation and Park Commission.

The commission directed architect Warren D. Jones, La Habra, to proceed with the preparation of final plans for landscaping of an area beginning at a point on the southwestern edge of the existing landscaped area on Vermont Avenue and extending to the storm drain inlet at the intersection of Vermont and Normandie avenues.

The development will be in accordance with a master plan previously approved by the

Calvary Sets New Year's Eve Program

Four special programs for New Year's Eve have been scheduled at Calvary Baptist Church, 2818 Manhattan Beach Blvd. The programs will begin at 9 p.m. and usher in the new year.

Adult and young adult groups will meet together for a showing of the Moody Science film "Hidden Treasures" and then will break up for special programs.

The Junior High and Youth groups will begin their watch-night programs with games and refreshments, followed by a viewing of "Hidden Treasures." The programs are under the direction of the group advisors.

Carl Olson, president of the Los Angeles Camp of the Gideons International, will deliver a special message at both the 9:30 and 11 a.m. worship services Sunday. He will speak on "The Power of the Word."

Members of the El Camino Baptist Student Fellowship have prepared a program for the 7 p.m. service Sunday. The group has met for the past two years at Calvary Baptist Church.

commission for the development of Harbor Regional Park, Wilmington, which is the 15th District, represented by Councilman John S. Gibson Jr.

The project for which architect Jones is preparing will include shoreline development, involving landscaping, construction of a roadway, a fishing pier and a picnic area; installation of sprinkling systems; and planting of trees.

Gas Co. Board Fills New Post

Harry P. Letton Jr. has been elected senior vice president of the Southern California Gas Co. by the firm's board of directors. The new vice president will be responsible for several administrative and staff departments, and legal matters.

The board also elected vice president H. A. Proctor a director of the company. Proctor has been vice president in charge of engineering and transmission functions since 1958.

Renewal statements for 1963 are in the mail to California's automobile owners, Tom Bright, director of motor vehicles, announced today.

Statements show the amount of fees due for 1963 registration and, when stamped, will become the registration certificate for the coming year. Renewal fees for automobiles and motorcycles are due on Wednesday, Jan. 2, 1963, and can be paid without penalty up to and including Monday, Feb. 4. Renewal on commercial vehicles, trucks and trailers started Dec. 3.

New license plates will be issued in 1963 for the first time since 1956. The new plates are heavier metal than the old ones and will be the same colors, only reversed, with black background and chrome yellow letters and numbers.

COMPLETE renewal service is available at any of the 142 permanent field offices of the department throughout the state. In addition, 150 auto clubs will be issuing plates as a convenience to their members, and plates for automobiles only can be obtained from more than 140 cooperat-

ing banks that have provided rent-free space as a public service. Banks are staffed to process only automobile renewals, and only when 1963 renewal statements and fees are presented.

Bright issued these specific instructions to motorists:

1. Follow instructions on the 1963 renewal statements.
2. Renew early to avoid the long lines that always develop the last few days.
3. All renewal statements should be received by Jan. 15. If, because of change of address or any other reason, the renewal state-

ment has not arrived by Jan. 15, bring the 1962 registration to any DMV office for processing and issue of new plates.

BRIGHT REMINDED new residents of California that they must apply for California registration within 30 days of the date of their out-of-state license plates expire; if their plates expire Dec. 31, owners have until Feb. 4 to obtain California registration.

Indicating the size of the job at hand, Bright pointed out that the gross weight of 1963 plates, now stored in conven-

Musical Talent Sought

"Let's Get into the Act" is the theme of a campaign among Los Angeles County's senior citizens for Music Recreation Clubs. The clubs, formed by senior citizens, are sponsored by the County Department of Parks and Recreation.

All types of musical talent are being recruited. Those senior citizens interested in the program should contact the Senior Citizen's Unit of the department, 155 W. Washington Blvd. Some of the clubs will appear on the television program "You're Never Too Old." Other places where the clubs are slated to make appearances include the County Fair, Knott's Berry Farm, and the Great Western Exposition and Livestock Show.

Units now meet in San Gabriel, Bell Gardens and Maywood. Other groups will be formed as the demand increases.
