WELL POSTED

A Southern California Plastering Institute survey has revealed that housewives definitely want homes of outstanding architectural design that are easy to live in and care for. The poll spotlighted the fact that women today are exceptionally well posted on what constitutes good construction and they are becoming increasingly interested in acoustical plasters.

methods of working with the press, will hear addresses by C. A. Oliphant, instructor in journalism at La Sierra College, Arlington, Calif.; Alvin C. Munson, Glendale, executive director of the Southern California Conference of Seventh-day Adventists; and J.
