College President Speaks To Area League for Nursing

Dr. Carl McIntosh, president, Long Beach State College, was the principal speaker at the first meeting of the recently organized Unit H of the California League of Nursing, yesterday at 7:30 p.m.

Approximately 50 nurses and non-nursing members of the medical and allied professions gathered in the St. Mary's Hospital Staff Room, 10th and Linden, Long Beach, to hear Dr. McIntosh discuss "Community Nursing Needs."

Mary Patterson, president, said that a number of Torrance nurses are members but that the Unit's books are open for more.

Unit H was organized in December including the South

west area except Long Beach. It was formerly a part of Los Angeles County-wide Unit E of the League.

Incoming officers are Marjorie Squires, president-elect; Kay Baker, secretary; Eleanor Lechner, treasurer, and Pauline Winkler, program chairman.

More than eight million women have seen the American Cancer Society's films on breast self-examination since the first one was issued 12 years ago.

Approves Fee Increase On Local Book Requests

On recommendations of County Librarian John D. Henderson, the County Board of Supervisors this week approved an increase of five cents in the fee paid by patrons to request books not on the shelves of the local libraries.

The new rate, which will go into effect on Feb. 1, will be 10 cents for each request. This fee, brought about partially by the recent increase in postage rates, will bring the County Public Library's charges into parity with the fee required by most other public library jurisdictions in Southern California, the county librarian said.

HE EXPLAINED that the request system makes each of the nearly 2,000,000 books in the county library system available to each of the patrons of the 92 city and community out-

lets and to residents of the sparsely settled desert coastal and mountain regions served by mobilibraries.

If a patron desires a book not on the shelves of the local branch, he fills out a request slip, and pays the fee. The particular book is located by a search of regional and central shelves and sent to the local

library at the earliest possible date. When the book arrives at the patron's library he is notified by postcard and the book is reserved for him to pick up within five days.

IN RECOMMENDING the change in fees for this service, Henderson pointed out that 106,000 such requests were

handled during the 1961-62 fiscal year.

"A recent study of costs in personnel time and other expense going into this service, including the higher postage rates, justifies an increase in our charge to the borrower. The present five cents charge has been in effect since July, 1960," he concluded.

To Enroll Jan. 28

Kindergarten registration for the Halldale Avenue School will be held Jan. 28, 9 a.m. to 3 p.m. The spring semester begins Feb. 4. Proof of birth and polio immunization records are required at time of registration. To enroll a child must be five years old on or before May 1. The school is located at 21514 Halldale Ave.
