PHILIP W. WALSH
Director of Sales

Heads Sales Program on Local Tract

The appointment of Philip W. Walsh as director of sales for the R. A. Watt Construction Co. and its subsidiaries was announced today by President Ray Watt.

Walsh's first major assignment is to coordinate the sales program for five large projects scheduled to open soon: Palo del Anco, in Torrance; Me sa Palos Verdes, atop the Palos Verdes Peninsula; Orange Eastridge, in Orange County; Villa Nueva, on the Dominguez in the Harbor area and Montebello View Ridge.

Prior to his promotion, Walsh served for more than two years as sales manager for the Watt organizations after five years as a tract sales manager and salesman. He has personally sold more than 1,000 Watt-built homes throughout the state.

A native of Lakewood, Ohio, Walsh lives with his wife Janet and sons in Gardena.

Disability Refunds Possible

Persons who worked for two or more employers during 1962 may have had too much deducted from their pay checks for disability insurance.

If so, they may be entitled to a refund from the State Department of Employment of anything over \$41 deducted for that purpose. Only requirement is that the deduction must be claimed before June 30.

Under state law, employers were required to withhold one per cent of the first \$4,100 paid in wages to each worker during 1962, but in cases where an employee worked for two employers last year, more than the \$41 maximum may have been deducted from his wages for disability insurance.

THIS MONEY was paid in by the employer to the state or to a voluntary insurance carrier to pay for temporary insurance coverage against non-occupational illness or injury.

More than 235,000 Californians applied for such refunds last year and were paid a total of \$4,699,475 in checks averaging nearly \$20. The excess payment can be refunded only if the worker applies for it on a form obtainable at any Department of Employment field office, or by writing 800 Capitol Ave., Sacramento, Calif.

The amount paid in such refunds is likely to be less in future years since the disability insurance tax limit on wages has been raised from \$4,100 to \$4,600 for calendar year 1963.

Stamp Club Sets Auction

An auction is scheduled for the Torrance Stamp Club meeting Monday, Jan. 28, at 7:30 p.m. Officer nominations are also slated.

The club meets in the Scott Park Community Building, 23410 Catskill Ave., Wilmington. All stamp collectors are welcome.

For further information call TE 4-6718.

The National Safety Council reported 358 traffic deaths during 72 hours of the 1963 New Year's holiday in the nation. During the same period of time the Los Angeles County Heart Assn. estimates 8,268 Americans died of heart disease. Give to your Heart Area, and reduce the chances of this number one health enemy in your family.
