THERE'LL ALWAYS BE AN INKLAND!

### Employers Must File By Jan. 31

Employer deadline for filing unemployment insurance wage and contribution returns for the fourth quarter of 1962 is Thursday, Jan. 31.

Employers who become delinquent may not be allowed full tax credit offset against their federal unemployment tax if they are also subject to that law. This risk is in addition to the penalty and interest which will be added to their state tax.

Employers who need help in preparing their returns may contact the Audit Office at 1315 Pine Ave., Long Beach, or by telephoning HE 7-0171.

### Tropical Fish Hobbyist Set As Speaker

Fred Daughtery, tropical fish hobbyist, for over 30 years, will be the guest speaker at the Harbor Aquarium Society meeting tonight, at 8 p.m., in the Recreation Hall at McMasers Park, Artesia and Yukon avenues.

The regular question and answer session with James Marshall as monitor will follow.

The Showfish of the Month will be the Anabantids or "bubble nest builders." These fish differ from most egg layers in that the male builds a nest of bubbles and takes care of the eggs and newly hatched fry.

The Anabantids are known as the labyrinth fish as most of them are air breathers. The species includes the Beta or Siamese fighting fish, the Gouramis, the paradise fish and the climbing perch.

The door prize will be a five gallon aquarium with hood. Refreshments will be served after the meeting. All fish fanciers are welcome.
