Fuchsia Unit Gives Awards Juniors To Assist 'Hope'

Gardena Valley Branch of the California National Fuchsia Society presented 11 trophies to members who had one or more years of perfect attendance at their January meeting.

Mrs. Elsa Stone awarded the society's beautiful trophy to Alva Post for her five years of perfect attendance. In 1962, Ethyl Steeg received the award for her five years attendance.

Webster Willeford, director of public relations for the state board, made the presentations.

They were Elsa Stone, eight years; Oliver Stone, four years; Constance Corinne, three years; Ethel Sanders, three years; Florence Schobert, two years; and Ledda Early, Ray Earley, Ann Williams and Corine Vickers, one year.

Mrs. Stone had received a copper plaque for her five year perfect attendance in both the Gardena Branch and the North Torrance Branch. She is now competing for the 10-year trophy.

Launching began on "Project Hope" in the Redondo Beach Diaras as members began making stuffed animals and toys to be sent to the "SS Hope" to be given to children to keep for their very own as they come on board the ship for treatment of illness.

Dr. Walsh, founder of the ship, "SS Hope," was requested to investigate a people to people program by former President Eisenhower. Dr. Walsh requested a Medical Ship that had last seen service during the Korean War to be recommissioned, then he personally went out

and raised three million dollars to outfit the ship. Three years ago the "SS Hope" made its first stop in Indonesia. Today it is in Chile. General Federation of Junior Women's Clubs is the first nationwide organization to offer assistance on "Project Hope." The Dianas are affiliated with CFWC, Marina District, Junior Membership.
