At the Latter Day Saints Temple in Los Angeles, on March 2, in a 1 o'clock ceremony, Miss Sherrill Berger, daughter of Mr. and Mrs. George Berger, 1341 W. 219th St., Torrance, became the bride of Peter Huebner. Mr. and Mrs. Fritz Huebner of Heidelberg, Germany, are parents of the bridegroom.

For the vow exchange, the bride wore a white satin brocade gown fashioned with a round neckline, long sleeves and a floor length skirt, which fell into an intermission train. Her shoulder-length illusion veil was secured by a pearl tiara and she carried white orchids and carnations.

Miss Diana Berger was her sister's honor attendant. Bridesmaids were Misses Dorothy Mendoza and Jananice Cole. Their gowns were of apricot chiffon and each carried a bouquet of Talisman roses.

Daniel Good performed the duties of best man and ushers were Keith Jones and Gary Rippstein.

President Bowring officiated at the marriage ceremony.

In the evening, Mr. and Mrs. Berger entertained at a

reception at the Torrance Latter Day Saints chapel. Mrs. Barbara Crockett registered the 175 guests.

The newlyweds spent a honeymoon in Las Vegas and are at home at 1431 1/2 W. 219th St., Torrance.

Bringing Up Baby.

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

The debut of a baby is a happy event, indeed. Smiles reign all around. You feel relaxed and rested. Once home from the hospital, however, try to use your strength sparingly.

- Offers of help are worth their weight in "breathers" for you.
- Simple, easy-to-prepare meals, with things like frozen casseroles, are energy-saving.
- A few minutes rest before you're tired do more for you than an hour when you're plumb tuckered out.
- A change of shoes, at least once a day, is a foot "body perker-upper."

Today's babies advance at such a fast pace, they're ready for solid food almost before you can believe it. (Usually cereal at first.) Gerber Baby Cereals are specifically designed with your baby's early nutritional needs in mind. They're enriched with a special kind of iron that's easily absorbed by wee ones. Calcium and B-vitamins are also added to further your baby's nutritional well-being.

Bottle-fed or breast-fed babies soon need vitamin C for sound gums and body tissues; the development of strong bones and teeth. Gerber Strained Orange or Apple Juice provide two excellent ways to start your baby on this important vitamin. The Orange Juice has natural vitamin C. The Apple Juice is vitamin C-enriched. Both are pasteurized for baby's protection. Gerber Baby Foods, Fremont, Michigan.

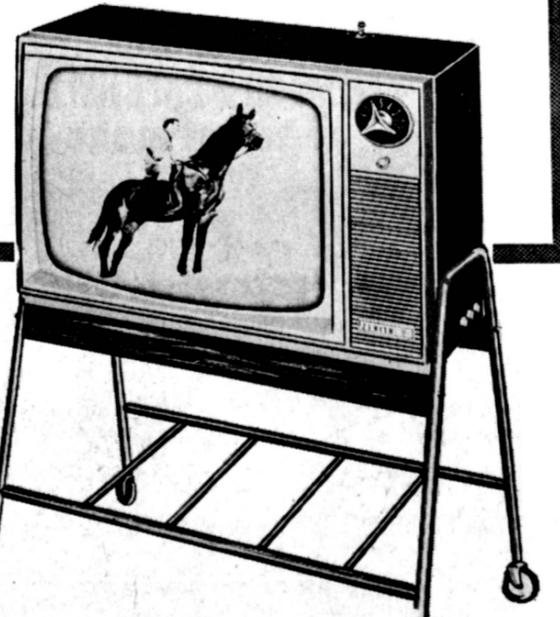

Gerber Baby Cereals are designed to pamper inexperienced palates, too. Flavors are delicate, the way they should be for babies. The texture is ever so smooth and nice-to-the-tongue.

Chin chat. First-time parents are sometimes a bit dismayed to find that baby has almost no chin. All babies have receding chins. It's Mother Nature's way of making it easier for baby to feed from bottle or breast and feeding itself develops baby's lower jaw into a good strong chin.
