Tuck our DOODLE CHEESE CASSEROLE in the oven just 40 minutes before serving time, make up a big bowl of salad, slice a loaf of Garlic bread, and cut a chilled melon! Presto... the whole meal is ready in less than an hour! We guarantee no leftovers from this flavor-packed Cheese, Noodle and Dried Beef combo, which utilizes both cottage and Cheddar cheeses. It's hearty enough to use as a main dish and on days when you want a change from potato, it doubles as a replacement with a steak or roast. Pick up your free copy this week!
