

Workday Sponsored By Society

Members and friends of the South Coast Botanic Garden Foundation will conduct a workday Saturday at the Palos Verdes Botanical Garden site. A second workday will also be held April 20.

The society, using materials supplied by the county, will build a greenhouse at the Botanical Gardens.

Persons participating in the workdays are asked to be at the site, 26701 Rolling Hills Road, at 9 a.m. each Saturday.

The greenhouse is needed for the annual flower show, "Fiesta de Flores," to be held on May 31 and June 1 and 2.

Further information may be obtained from Mrs. R. O. Young at the foundation's headquarters.

Participants should bring their tools and a lunch.

Crash Victim Found, Rites Held Saturday

Requiem mass was celebrated Saturday in Campbell, near San Jose, for Earl LeRoy (Roy) Marasco, 37, son of Mrs. Evelyn Marasco, 1632 Arlington Ave., who was killed Feb. 22 when a light airplane crashed into the ocean at Half Moon Bay.

Rites for the former Torrance resident had been delayed pending recovery of his body from the sea.

Attending the services with his mother was her sister, Mrs. N. H. Johnson of Lomita.

Mr. Marasco, an engineer with a San Jose firm, was killed with Charles Joo, 30, also of San Jose, when their light plane crashed during a pleasure flight.

Expressions of sympathy have been received here by Mrs. Marasco from executives of the FMC Corp., where her son was employed, and from his fellow workers at the ordinance plant, she said.

Interment was in Blossom Hill Memorial Park.

Upon arriving in Thailand, Miss Mills will reside with a Thai family until she has mastered the language. She will then be assigned a home of her own.

Miss Mills says she is glad she is going. "It's challenging
