**GETS RESEARCH POST . . .** Weldon Bankston has joined Hi-Shear Corp. as ordnance research engineer with the responsibility to design and supervise the development of explosive bridge wires. Such devices are used for separation of rocket stages. Bankston came to Hi-Shear from Lockheed Missile and Space Co. where he designed and developed electro-ordnance systems for the Polaris Missile.

**Torrance Jaycees Win  
Two District Awards**

Both awards offered by District 12 of the California State Junior Chamber of Commerce were awarded to the Torrance local at the District election meeting held recently at Culver City's Elks Hall. One trophy was for the most outstanding local in the district which encompasses 13 clubs from Culver City to San Pedro.

Criteria for judging were: increase of membership, attendance at State and District functions and meetings, community development projects undertaken by the club, and visitations to other local clubs. **THE SECOND** trophy awarded the Torrance Jaycees was the man miles trophy. This award is given to the local who at the night of any District meeting brings the most men for the distance traveled. State Director Harold Smith indicated that "This was due

**Officer Named  
By TB Group**

Joseph Piatt of 3222 Antonio has been named publicity chairman for the Tuberculosis and Health Assn. regional advisory committee.

Piatt resides in Torrance with his wife and daughter. He is a senior estimator at North American Aviation where he has been employed for nine years. Previously he was news editor for a Chicago radio station and a member of the Chicago Tribune staff.

The advisory committee is currently planning the first community health symposium May 8 at the Plush House.

to the all around top performance by the active membership. A third award was given to Henry C. Rice the secretary of the organization for first runner-up in the district "Speak-Up" contest, hosted by Gardena in March and the theme of Rice's speech was one of the lines in the Jaycee Creed.

ATTENDING the district 12 election meeting were Harold Smith, state director; Doug Hedde, internal vice president; Milo Lystne, treasurer; Robert Vroman, director; Joseph Bonanno, director; and members James Ackroyd, William Burbank, Barrie Lewin, Harold Linborg, Roger Marshall, Robert Morris, and Douglas Nelson. Young men between 21 and 36 interested in the organization should contact Douglas Hedde at FA 0-2019.

**PV Players  
Plan Patrick  
Play in May**

"The Curious Savage" will be presented by the Palos Verdes Players for two weekend performances, with opening night May 24, at the Montemalaga Auditorium, Palos Verdes Estates.

The Broadway comedy hit by John Patrick, author of "The Hasty Heart," concerns the antics of a wealthy widow as she happily satisfies her own whims and helps friends and acquaintances do the same. When her practical step-children intervene and confine her, she makes friends with a group of people who have found a harmless illusion to mitigate an inner grief.

**Group to Bowl**

The single adults group of Temple Menorah will meet for an evening of bowling and table tennis at the Gable House Bowling Alley, May 12, at 8 p.m. Further information regarding the adult group, for persons 25 and older, may be obtained at 320-5619 of 328-7802.

**BETTY ELLIOTT** heads the cast as the eccentric widow. Other cast members are: Jarl Victor as Titus; Pat Schiffmann, as Samuel; Ruth Ayres, as Lily Belle; Bob Husted, as Jeffrey; Ed Siani, as Hannibal; Marge Carlson, as Mrs. Paddy; Rosemary Buell, as Fairy May; Jackie Giffin, as Florence; Dick Jordahl, as Dr. Emmett; and June Husted, as Miss Wilhemina.

Of "The Curious Savage," a fable that shows the practical minded being thwarted by those who have found some illusions better than reality, the New York World Telegram wrote, "innumerable laughs that come with such regularity as to give the play a staccato rhythm."
