Leonards Slates Opening For New Service Station

Leonards Department Stores announce the grand opening of their new, modern service station and tire center located at their Torrance store, 25405 S. Crenshaw Blvd., at Pacific Coast Highway. A gala four-day celebration will be kicked off today.

Many outstanding and unusual buys in gas, oil, tires, and other automotive supplies will be offered to the motorists during this gala event. There will also be free gifts for the kids.

ACCORDING to Bill Mann, service station manager, who has had 20 years experience in the business, "Leonards new 16-pump service station will sell major brand gasoline at discount prices. Furthermore, while our prices will be far below present market prices this will not be a self-service station. We will offer the motorists courteous service by well-trained attendants."

The huge canopy covering the pump and service area will

protect the customers in bad weather in addition to being an attractive structure of latest modern design. Wheel alignment, complete brake service, and a muffler shop will also be included in this complete automotive center.

"Leonards tire center will be staffed with experienced tire people only," stated Roger Branscome, tire center manager. Branscome has been in the tire business 10 years. They will handle many top name-brand tires at discount prices and offer the finest recapping service through the facilities of their own recapping plant.

Robert Merryman, store manager of Leonards Torrance Department Store said:

"At our new service station and tire center our slogan is 'It's Service... With a Smile... and Discounts, Too!'"

GALA OPENING TODAY... Opening of Leonards new Auto Service Center will begin today. The four-day celebration will mark the grand opening of the modern service station and tire center shown above at the Leonards Torrance store, Crenshaw and Pacific Coast Highway.
