1. QUALITY One look at a Datsun and you can see its superior engineering and craftsmanship throughout. Its heavier welded box steel frame gives greater safety and durability. 7-step paint process assures a long-lasting finish. After a drive you know for sure, Datsun is net economy built.

2. PERFORMANCE Datsun's 60 h.p. overhead valve engine has amazing power and pickup. Full synchromesh transmission gives you smoother power for city driving. Oversize brakes... give quick, sure stopping. 16-foot turning radius makes Datsun easily maneuverable.

3. COMFORT & RIDE Here's where Datsun leaves the rest! Four-door convenience. Roomy interior and comfortable foam rubber seats (Bucket seats optional extra). Superior Front Suspension of double wishbones, coil springs, telescopic shock absorbers, and stabilizing bar gives you a BIG CAR ride you never expected.

4. ECONOMY & LOW MAINTENANCE Up to 33 actual miles per gallon. Datsun is more dependable and easier, less costly to service. Parts are reasonably priced—example: Coil \$5.90, Points \$1.30, Clutch (disc) \$14.50. Fittings are standard S.A.E.—no special tools are needed.

5. EXTRAS Many cars only start at list price! With Datsun list price is it (unless you want a radio). Delivers loaded with extras: WSW Tires, Heater & Defroster, Factory Undercoat, Vinyl Upholstery, Gas Filter, Air Cleaner, Electric Windshield Wipers, Turn Signals, Deluxe Steering Wheel, Deluxe Chrome & Bumper Guards.

6. PARTS AVAILABILITY & SERVICE Parts are immediately available and stocked by a network of Datsun Dealers throughout the West, South and East. The dealer organization is growing rapidly. Huge inventories are maintained at multi-million dollar Parts Depots.

TAKE A TEST DRIVE — PROVE IT — YOU'LL BE GLAD YOU DID!
