

FOR RESEARCH . . . A few of the many living cells which the Pasadena Foundation for Medical Research keeps alive for research are shown to C. E. Shackelford, a member of the local chapter of the American Cancer Society, by Dr. Donald E. Rounds during a tour of the facility last week.

Cancer Society Volunteers Tour Research Foundation

Part of the dramatic research going on now in search of a cure for cancer was demonstrated to members of the Centinela Valley-South Bay chapter of the American Cancer Society last week.

Volunteer workers for the local Cancer Society chapter toured the research labs of the Pasadena Foundation for Medical Research. The tour was conducted by Dr. Donald E. Rounds, director of the department of cellular biology at the foundation.

Mrs. P. B. Marsh, district general chairman, headed the touring volunteers. Others in the group included: Mmes.

Lena Ziegler, Harold Oistad, Vance Basler, Lionel Sangster, Henry Fink, D. W. Harris, Clifford Ovist, William Bennett, George De Filippo, and C. E. Shackelford. Also in the tour group was Ron Cruger, district public information chairman. Many cancer-inhibiting drugs were explained to the group, and some promising new treatments demonstrated. A film depicting the various phases of life which each cancer cell undergoes, was shown. The work of the Pasadena Foundation is supported in part by gifts to the American Cancer Society.

Elks Lodge Sets Services For Brothers

Members of the Torrance Elks Lodge will hold memorial services for their departed brothers at the Lodge Hall, 1820 Abalone St., Sunday at 1 p.m.

Exalted Ruler Pat Huffine urges all lodge members to attend. Huffine said the services will be open to the public.

William M. Everett, past exalted ruler of the Redondo Beach Lodge, will be the guest speaker for the afternoon. Chairmen of the services are Robert LeBlond, chaplain, and Tony Alonge, assistant chaplain of the lodge. Officers of the lodge will officiate at the memorial services.

William Hogan

(Continued from Page 24)

— that is commercial corruption if ever I saw it in the anthology business.

The theme at hand, beyond that, is extremely limited, and at up to \$8.50 a peek overpriced, no matter how many virgins and harlots, examples of impotence, amazons, deviates, voices of experience and droll philosophizing and morality are on parade.

Poetry is poetry, not necessarily "erotic poetry" unless some enterprising huckster brands it as such, as he will of course brand its critics comstock and bowdlerizers.

The fact that two such out-sized volumes of this admittedly high-class stuff appear almost simultaneously suggests that when the idea was run up the flagpole, it was greeted by many salutes.

Dividend Voted

The board of directors of Northrop Corp. has declared a quarterly dividend of 25 cents per share payable Dec. 14 to stock of record Nov. 29.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery. In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months. In fact, results were so thorough that sufferers were able to make such astonishing state-

ments as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing. All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body. This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
