SPEAKER . . . Air Force Maj. Francis Thompson, 22122 S. Nicholle, spoke to members of the Exchange Club of Los Angeles last week on the role of the Space Systems Division in the nation's military space programs.

Red Cross Issues Call For Donors

"Save A Life Sunday," an annual event initiated last year by the Red Cross to meet the demand for blood between Christmas and the New Year, will be held Sunday at various stations.

Centers open will be the Regional Blood Center, 1200 S. Vermont; Red Cross Headquarters in West Los Angeles, 1100 Veteran Ave; Van Nuys, 14717 Sherman Way; and Long Beach, 319 W. Broadway. Hours at all centers will be 10 a.m. to 2:30 p.m.

Mrs. Robert Orsini, volunteer blood program chairman for the Torrance-Lomita branch, urges all area residents to participate in aiding the ill and injured by donating blood during this critical period.

Area Family Seeks Lost Dog and Cat

Maury Espelin, a 16-year-old Narbonne High student, is looking for his pet dog.

Young Espelin, who moved to the Lomita area from Bishop only recently, told The HERALD Friday his Norwegian Elkhound has disappeared from the family home. The dog is black and grey, and looks like a small German Shepherd. Espelin adds it has a bushy tail.

The family has offered a reward for the pet. Anyone knowing about the dog should call 325-7216.

And if that isn't enough, Mrs. Espelin adds that her siamese cat "Ching" also disappeared. The cat was left with friends near 166th Street in Torrance and it wandered away.

Graduation Requirements Changed Here

Requirements for graduation from Torrance high schools were changed by action of the Board of Education Monday evening. The changes according to Dr. J. H. Hull, superintendent of schools, "reflect the trend of the times."

All of the changes reflect only name changes in the required courses. Some change was made to provide for the awarding of diplomas to physically and mentally handicapped children completing the requirements stated in the High School Framework publication.
