EARN'S AWARD . . . Pep Boys executive Morton A. Krause holds Distinguished Service Award presented to him by Jewish Big Brothers Milton L. Goldberg and Jack Levin (right). Murray Rosenfeld (left), Pep Boys executive vice president and general manager, participated in the ceremony.

Big Brothers Salute Pep Boys Executive

Morton A. Krause, officer and director of the Pep Boys of California, was presented the Distinguished Service Award by the Jewish Big Brothers Association of Los Angeles County, an agency of the United Way. The presentation was made to Krause in a ceremony held at the Pep Boys Los Angeles headquarters by Jack Levin, a Volunteer Big Brother, vice president of the Jewish Big Brothers of Los Angeles, and board member of the National Association of the Big Brothers of America, and Milton L. Goldberg, executive director. Also participating in the award ceremony was Murray Rosenfeld, executive vice-president and general manager of Pep Boys of California.

the association, and to express our appreciation to Murray Rosenfeld and the Pep Boys who have been one of the pioneer supporters of the Jewish Big Brothers Assn. and Camp Max Straus, a non-sectarian, inter-racial summer camp for boys in the Verdugo Hills. Pep Boys have always been of substantial help to us." Krause noted that an urgent need exists for additional Volunteer Big Brothers and that the association's program for 1964 will be centered around the securing of needed funds and volunteers for the long waiting list of boys who need Big Brothers.

State Requires Tax Form 599

Employers must file Form 599 with the Franchise Tax Board on or before Feb. 28, according to Alan Cranston, state controller. These returns should cover each single employe earning \$1,500 or more and each married employe earning \$3,000 or more in 1963.

A TRUE STATUS SYMBOL

We're proud to display this "Federal" emblem. It's a real status symbol for Savings and Loan Associations. The association which displays it has earned the right to call itself a "Federal" savings and loan. The distinguishing features are numerous: the added safety and protection of a Federal charter; the fact that earnings go first into reserves for account holders; management which is directly responsible to account holders and the federal government, rather than to private stockholders . . . to mention only a few. Status symbol? Definitely. A symbol of safety and responsibility in the community. Look for it when you come in to open your insured savings account.
