

Westergard Wins ASB Presidency

Tim Westergard came out of an election scuffle on the West High campus with the student body presidency following a burst of youthful enthusiasm on the part of the West High student body.

Westergard headed a slate of winners announced at a victory dance last week. The dance, coincidentally, also marked a West High basketball win over the Torrance High quintet.

Pre-election activities included an all-school assembly and smaller class assemblies. During the electioneering, so-

cial studies classes stressed the importance of voting in a democratic society. All students were encouraged to register for the voting.

A NEW FEATURE of the election was the formation of political parties on the campus,

complete with campaign headquarters, impromptu band concerts, and large banners.

Newly elected student body officers include: John Marsden, vice president; Margo Redford, secretary of records; James Ellis, secretary of finance; Robert Gadbois, secretary of

athletics; Shelby Peterson, secretary of publicity; Gloria Anderson, secretary of honors; Dana Marshall, secretary of morale; and Karen Renz, secretary of club coordination.

New Girls' League officers are: Shirley Loyd, president; Donna Lawson, vice president; Kathi McKinney, treasurer; Midge Proffitt, secretary; and Cynthia Somerset, historian.

Boys' League officers include: Michael Scott, president; Michael Stanley, vice president;

John Smith, treasurer; and Gary Loyd, secretary.

SENIOR CLASS president is Jan Costenbader. Other officers are: Lynne Shook, vice president; Carolyn Kieman, secretary; Kathy Condon, treasurer; Fred Settle, Boy's League representative; and Linda Zesch, Girls' League rep.

Ronald Gordon will lead the junior class with John Cochran as his vice president. Other junior class officers include:

Carol Maa, secretary; Linda Beeson, treasurer; David Graham, Boy's League rep.; and Armida Pereyra, Girls' League representative.

The sophomore class elected Fred Schwanbeck as its new president. Other officers are: Ronald Sells, vice president; Janice Field, secretary; John Reece, treasurer; Bill Herchler, boys' League representative; and Madeline Falcone, Girls' League representative.

STEVE RENZ will lead the freshman class with the help of other officers who include: Carol Patterson, vice president; Sandra Parapatis, secretary; Judy Harris, treasurer; Dan Lefebure, Boys' League rep.; and Linda Underwood, Girls' League rep.

In the elections, 97 candidates vied for the 42 vacant offices, something of a record turn-out for the school.

Garden Checklist

1. Don't hesitate to get gladiolus planted. Dust them with a fungicide first. Then sit back and wait for the big show.
2. In case you didn't get around to it last fall, it's heartening to know that ranunculus and anemones can go in now. Be sure to plant ranunculus with the claws down.
3. Roses, grapes, berries, fruit trees, shade trees, flowering trees... everything that is sold bareroot... should be put into the ground now.
4. Transval daisies are among the loveliest and most sophisticated of flowers. Plant with crown at least 1/4 inch above soil. Blooms in spectacular colors starting around May.

Science Shrinks Piles New Way Without Surgery Stops Itch - Relieves Pain

New York, N. Y. (Special) - For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain - without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all - this improvement was maintained in cases where a doctor's observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing state-

ments as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing. All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) - the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body. This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
