Board Invests Extra Funds in Treasury Bills

Trustees of the Torrance Unified School District have invested \$1,250,000 in short term treasury bills.

The funds, part of the district's general fund, were declared in excess of those actually needed by the district for the next 90 days.

The investment will allow the district to collect interest on the funds for the 90-day term of the treasury bills.

U.S. Steel Chief Is 'Y' Speaker

Leslie B. Worthington, president of the United States Steel Corp., will address the seventh annual YMCA Good Friday Breakfast at the Biltmore Bowl March 27.

Worthington, who served as president of the Columbia-Geneva Steel Division from 1956 to 1959, was president of U.S. Steel in November, 1959. He will speak on "The Role of Religion in American Business Life."

Dr. Pyeatt said the annual breakfast is sponsored by the 26 branches of the YMCA in the Los Angeles Assn., and has become a major civic event in just six years. "We hope to have 50 men from Torrance," said Pyeatt.

Worthington, who was born in England, came to the United States in 1907 at the age of five. He attended the University of Illinois and joined U.S. Steel as a sales apprentice after graduation. He is a mem-
