Petitions

ing. Would the telephone company expect the independent Azusa exchange to handle Pasadena's business? That's what is going to happen here.
West Torrance Improvement Association Monday night opened a drive to obtain unified telephone service for Torrance, voting unanimously to circulate petitions throughout outlying districts of Torrance asking for a central exchange to serve all of the widespread area.
Dissatisfied with present telephone facilities, the residents voiced their peevishness openly at the regular meeting of the association.
Present for the meeting were C. C. Vaupel of the Associated Telephone Co., and A. E. Smith of the Pacific Telephone and Telegraph Co.
Residents objected to the fact that telephones were out of order to often, and that there were 10 people on each Associated line. Vaupel, whose company was most severely criticized, pointed out that the only way that W.

Fern Avenue P-TA Plans Will Include Spring Carnival

TORRANCE. — Several ways and means projects are being planned for the coming weeks by the Fern Avenue P-TA. Among these include the annual Spring Carnival, the date for which has been set for Saturday, May 20. In addition to the many miscellaneous booths, miniature rides for the children are being planned. This is the most outstanding project of the year and is eagerly anticipated by all.
A paper and rag drive is also planned before the close of the school year.
Recently Mrs. Ed Hansen, ways and means chairman, opened her Elm avenue home for a teachers luncheon. Those ladies who contributed to make this project a success were Mrs. G. Grubb, Mrs. J. Boucher, Mrs. Coleman, Mrs. W. C. Higdon, Mrs. W. Megow, Mrs. P. W. Johnson and Mrs. Hansen.
On March 31 Cub Pack No. 728, sponsored by the Fern Avenue P-TA, held their first pack meeting. The new pack is growing fast and new den mothers are urgently needed.
The First District Welfare Council will hold an open meeting on Tuesday, April 18, at 8 p. m. at the Torrance High School to discuss and acquaint the public with the functions of the Welfare Council. Everyone is urged to attend.

Vets Urged Action

TORRANCE — Veterans who have been saving up all or part of their entitlement to education or training under the GI Bill of Rights, or who are planning to use both Federal and State educational assistance to reach their training goal are advised by Miss Helen Dill of the Torrance Area Veterans Service Center not to delay any longer about putting their plans in order.
For veterans discharged before July 25, 1947, the great majority, the deadline for starting training under the GI Bill is July 25, 1951. While this may seem still far in the future, Miss Dill pointed out that unless an educational program is carefully planned in advance a veteran may find that regulations will operate to prevent his getting the full benefits to which he is entitled.

Dr. R. A. Larson

(Continued from Page One)
Redondo Beach, where his extra curricular activities included earning four letters as a member of the school's track team. While in high school he secured employment with the Redondo Breeze, and thus started a career as a printer. He served an apprenticeship in the composing room of that newspaper to secure a union card, after which he was employed on the Los Angeles Herald and later on the Westwood Hills Press.
At this point in his life, deciding against a life time career as a printer, Larsen moved on to the Columbia Steel Company and later became a member of the sales staff of the Union Oil Company.
He enlisted in the U. S. Army in 1942 and served as a cadetman at Fort Knox, Ky., until being deactivated late in 1943.
After returning to civilian life, the training received from his mother came to the fore and so he matriculated at the Los Angeles college of chiropractic. He completed the four-year course there in three years by attending a summer school each year. After graduating and passing his state board examination, he remained at the college, serving as a staff member at the school's clinic. He established his offices in Torrance for the practices of his profession at 1659 Gramercy on Oct. 15, 1948.

Patients at Dr. Larsen's office are greeted by his gracious wife, nee Eula Halburton, a native of Missouri. Mrs. Larsen is active in the affairs of the Torrance Women's club in addition to managing her home and acting as her husband's receptionist.
Dr. Larsen enjoys all sports, but especially swimming, surf-boarding, riding, and abalone diving.

PTA's Raise Funds With Gay Revue

LOMITA. — A "Gay Nineties" Revue will be presented April 18 by the Orange St. P-TA at the Narbonne High School. Funds will go toward helping the Lomita San Pedro P-TA Council raise \$1400 toward building a children's health center in Los Angeles.
Directed by Mrs. H. V. Blakesley, the Mothersingers program will include eight acts of songs by the Lomita mothers. In addition, the Spike Jones, an orchestra composed of members of the Barton Hill, Leland St., Seventh St., Harbor City and San Pedro and Dana P-TAs, will provide delightful variations during the program.

The Health Center, to cost \$675,000 will cover 60,000 square feet and will house dental and medical offices.

The San Pedro Typographical Union No. 862 wishes to announce that a completely satisfactory agreement has been reached with the Torrance Herald, Lomita News, Dominguez Area Bulletin and Westside Graphic in their recent labor dispute.

These publications have been removed from the Central Labor Council's "do not patronize" list and the union label, "bug" is once again carried on the mastheads. This label symbolizes decent wages and working conditions.

We wish to thank all of organized labor, merchants and individuals who were so helpful and sympathetic with us.
