Softball Meet Tonight

Plans by the Torrance Recreation Department for the establishment of a second adult night softball league, to operate under the new lights now being installed on the Walteria Park Softball field, were released today through the office of Frank H. Carpenter, director of recreation, by Elmer "Red" Moon, director of athletics.

A meeting, to discuss conditions of play and rules and regulations, as outlined by the Recreation Department, is scheduled for 7:30 tonight in the Walteria Recreation building.

The purpose for which this league is to be organized is to provide a medium of expression for players other than those with top flight playing ability.

YWCA Week Celebrated With Sunday Services

"A better world begins with you," slogan of National Y. W. C. A. Week, April 23-29, will be the theme of the service next Sunday morning at the First Christian Church, 1415 Engracia. An address on that topic will be given by Mrs. Charlotte Lukes, Torrance Y. W. C. A. Program Director, based on her 11 years of experience as a professional Y.W.C.A. worker and upon her attendance at a meeting of the World's Y.W.C.A. Council.

Members of the Christian Church who carry responsibility on the local Y.W.C.A. Committee will also participate in the service. Mrs. Philip Jensen will sing a special number, "These Things Shall Be." Mrs. W. F. Bartholomew will give the Call to Worship and Mrs. Cecil England will read the Scripture and offer a prayer.

Special music by the choir will include sibelius' "We Would Be Building."

"We are very glad to cooperate with the Y.W.C.A. in Torrance in the observance of National Y.W.C.A. Week," said the Reverend Mr. England, pastor of the First Christian Church.
