

### Classes for Two to Four Year Olds Starts Monday

The "Prepare Your Child For School" class held each Monday at the Seaside School, Seaside Ranchos (off highway 101 in Torrance) will be split up into two groups, with the two to four year olds attending the class on Wednesday at 1 o'clock.

This is a free adult class sponsored by the Torrance Adult School and is designed not only to prepare young children for kindergarten but to help their parents better understand their own children by watching them play in a laboratory type classroom.

Children from 4 years old to kindergarten age will still be admitted to the Monday class at the Seaside School at 12:30. Children in both classes must be accompanied by their parents, but adults without children are also invited to attend.

There are four more weeks of school left, so parents are urged to attend the next session of class on Monday (for 4 year olds), and Wednesday (for 2 to 4 year olds) at the Seaside School, room 8.

### Founder's Day At PV College Attended By 350

More than 350 people attended the third annual Founders Day at Palos Verdes College yesterday. Featured were a large exhibit of paintings and ceramics, an exhibit of the theater and dance groups, and a cafe scene in connection with the foreign language exhibit.

A special focus of attention was the site plan of the permanent campus, on exhibit for the first time. Harwell Hamilton Harris, the architect, was present to discuss it with visitors. The display was held in the College dining room, where refreshments were served.

The students and faculty did most of the work preparatory to Founders Day. They painted buildings, mowed lawns, pulled weeds, and performed numerous tasks in order that the entire campus should be at its best.

Thinking is the talking of the soul with itself.

Mr. Markland promised balloons for the kiddies, free coffee, Plato

### McMahan's Store to Hold Famous Kitchen Carnival

Friday and Saturday, May 12-13 are the dates set for McMahan's great annual Kitchen Carnival. Mr. Markland, the local McMahan's manager, said today that many valuable prizes will be given away among which are a deluxe O'Keefe & Merritt gas range, a vintage 5 piece chrome dinette set, Motorola and Zenith table radios and many other valuable prizes.

Mr. Markland also said that the first 1000 persons to attend the Kitchen Carnival would receive as a free gift, a large Crimped glass candy and nut bowl.

Drawings for the prizes will be held at 7 p.m. Friday and 7 p.m. Saturday. The grand prize which is the gas range will go to the lucky winner Saturday night at 7 p.m.

Registering for the prizes will begin at the store Friday morning.

The first 1000 persons will receive a free gift when they register.

Mr. Markland promised balloons for the kiddies, free coffee,

refreshments, demonstrations of many new appliances.

One of the features of the Kitchen Carnival will be Freda Nelson, famous home economist who will demonstrate O'Keefe & Merritt gas ranges. All are invited to see her whip up her famous Apple Pan Dowdy, custard pies, milk rolls and be sure to taste her famous 100% whole wheat bread. She will amaze you as she throws these famous recipes together and demonstrate that every woman can be a good cook if she has a good range.

Entertaining at the Carnival will be Mr. Pithley in authentic Scotch regalia, piping Highland music on the bagpipes. He is accompanied by his diminutive son, Wee Jack, only 3 1/2 years old who also plays the bagpipes.

In addition to the many demonstrations, prizes, gifts and refreshments Mr. Markland added that special prices have been made on Furniture and on appliances especially where saving of 20% are being offered on appliances which formerly were in the El Prado stock and which McMahan's no longer carry.

### Demonstration Here Saturday

AT THE GENERAL MOTORS PREVIEWS OF PROGRESS science show, to be shown at Paul's Chevrolet, 1640 Cabrillo Torrance, Saturday afternoon and evening, the lecturer produces a white, fluffy mass of synthetic rubber in the fastest polymerization known to science by shaking together two liquids for sixty seconds. See this and other interesting demonstrations. Admission will be free.

### Solemn Beauty Displayed In Memorial Services

The Gold Star Mothers held a memorial service at the American Legion Hall, Torrance, California, on May 3, 1950. President Lucy Vigil assisted by mothers Orpha Wilson, Leona Smith, Helen Smith, Regina Cunningham and Mildred Mayall conducted a beautiful and impressive memorial service.

### Gains Top Honors At P.V. College

Students Emilie Kell of San Pedro, Robert Everts of Torrance, and Burt Kessenick of Palos Verdes Estates top the list academically at Palos Verdes college as second-interim grades revealed this week. Janice May of Eugene, Ore., and Bob Planchard of San Pedro are runners-up with B+ averages, while honorable mention for B averages was earned by Blayne Henton, Elaine McAuliffe of San Pedro, Bonnie Thornton of Long Beach, Anne Detzer of Palos Verdes Estates, and Lily Mallick of Baghdad, Iraq.

was beautifully decorated with flowers. The ceremony consisted of placing on the table a small bouquet of flowers by each mother or near relative as the name of her departed son was called. At one point of the ceremony a very touching and pathetic illustration of love and devotion was shown when little Dorothy Jean Mayall placed a bouquet with the many others in memory of her departed father.

This memorial service was solemn, pathetic and beautiful, and the Gold Star Mothers are to be complimented.
