Parents of boys and girls, and teen agers, have a cordial invitation to attend the meeting of First District Welfare Council next Tuesday, May 16, at noon in Madeleine's Restaurant, 164th and New Hampshire, Gardena, when camping facilities in the metropolitan area will be reviewed.

Guest speaker, Dr. Elizabeth Frank, will use as the base of her talk the facts revealed by the just completed study on camping which has been in preparation for more than a year by the research department of the Welfare Council of Metropolitan Los Angeles. It shows what is being done by Community Chest agencies, public recreation departments, and other groups to meet known lacks in outdoor play opportunities for youth.

Warren W. Hamilton of Torrance, council chairman, will preside.

Those who wish to attend the luncheon preceding the talk are asked to make reservations at Community Chest Service Center, 1339 Post avenue, Torrance 1356.
