LAVISH PRODUCTION

CECIL B. DeMILLE'S greatest masterpiece, the crowning work of a lifetime spent in the production of outstanding motion pictures, "Samson and Delilah," is now showing at the Harbor Drive-in theatre. The story that has inspired countless artists, composers and writers now comes to the screen in glorious Technicolor, bringing to life for the twentieth century the age-old story of the mighty Samson and the beautiful temptress, Delilah, who loves and betrays him. Done in Mr. DeMille's masterful manner, the picture is the latest in a great series based on the Bible. The first was the still remembered and talked of "Ten Commandments," followed by "King of Kings," and "The Sign of the Cross."

cal 218, 5-2, as Al Coast held the Potters to three hits while his mates gathered nine off Kanatsky and Bressinger. Feature of the game was a home run by Tom Justice.

Life Size Window Show Worth Seeing

Anyone passing the Walter Bell Furniture Store this week undoubtedly is aware of the sale starting today, due to the clever job of cartooning covering the windows at 2535 E. Carson St., Dominguez. Well worth a trip to see, the curious would find it profitable to get beyond the "knot" holes, for a free gift is awaiting all visitors for the asking—no purchase necessary, according to Bob Wilson, store manager.

This is the first event of its kind ever staged by Bell's but is planned as a yearly event in the future. Everything in the store, with the exception of fair traded items, has been materially reduced, to make this sale one to remember, Mr. Wilson said.

Sales force has been increased for the duration of the event and everything possible is being done to make this particular sale breed only good will, Mr. Wilson stated.

BACK YARD SCENE—One of the cleverest jobs of window painting that has been displayed locally may now be seen at the Walter Bell Furniture Store, 2535 E. Carson St. For a good chuckle, don't miss this life size comic strip.

Dudley Gray Withdraws; Backs Shidler

Dudley Gray, Gardena Attorney and Candidate for the office of Justice of the Peace, Gardena Township, today announced his withdrawal from this Judicial contest which will be decided on June 6, 1950.

Remaining candidates are the incumbent, Judge John A. Shidler, and City Judge Otto Willett of Torrance.

In withdrawing, Gray stated that he had expected veteran, labor, and party support when he filed for the office.

"This support," he concluded, "apparently has solidified behind the incumbent. In addition, my private practice has required more of my attention at this time. I therefore feel that it is proper that I withdraw. I make no recommendation to the voters at this time."
