

PERCY & VAUGHN'S 4th. ANNIVERSARY SPECIALS

3-BEDROOM OR 2-BEDROOM AND DEN

This is not a new house but it is in A-1 condition. It is situated on a corner lot, has lots of cupboards and closets, Venetian blinds, wall-to-wall carpet, thermostatic controlled floor furnace, small basement, sprinkler system, and large 2-car garage. Full price on this beauty is only \$8500; \$3000 down will handle.

LARGE 2-BEDROOM HOME

This is really a steal at \$7000, and you can buy it with only \$1000 down. This home has over 1000 square feet, plus large attached 2-car garage. It is situated on a corner lot in an edge-of-town location. The owner of this home wants to leave the state and is really ready to deal. Hurry in and buy it before he changes his mind.

2-BEDROOM RANCH STYLE

If you are familiar with Torrance, you know this is a Kettler Knolls house, and if you have been watching our signs you know they are selling. This is one of the nicest homes out there. It is beautifully decorated inside. The back yard is enclosed with a 6-foot redwood fence. The lawn and shrubs are very nice. 1500 down will handle. Full price, \$8650.

AIN'T THIS A HONEY?

We hesitated to put this picture in the paper; the owner is liable to see it and change his mind about selling. It is really a lovely 2-bedroom home. The school is just three blocks down the street and the market is just three blocks up the street. If this house isn't worth \$7400, there just isn't any good buys in town. Come in and discuss the down payment and terms.
