

# Ice Follies To Run At Pan-Pacific, September 7

For the thirteenth consecutive year the Pan-Pacific will serve as the setting for the world premiere of the Shipstads and Johnson Ice Follies.

The all new 1951 edition, the 15th annual presentation of the famed ice gigantic, will first meet the public eye Sept. 7 at the Beverly Blvd. rink. The run is for three weeks only, the shortest engagement in Los Angeles history.

Mail orders are being accepted now, officials said, as they pointed out how easy it was to obtain seats via mail. Simply send check or money order to the Pan-Pacific, L.A. 36, stating how many tickets and the performance desired.

The Ice Follies cast will be headed by at least two brand new stars. One is Aja Vranova, the world's champion from Czechoslovakia; while the other is youthful Richard Dwyer, the Pacific Coast men's champion,

who learned how to skate right in Southern California.

The rest of the cast includes such famous skaters as Betty Schalow, the Scotvold Twins, Frick and Frack, Narena and Norris, Mae Ross, Harris and Phyllis Legg, Rasmussen and Cameron, the Leduc brothers, Montel Phillips, Hugh Hendrickson, Marilyn Ruth Take, Hamilton and Morrison, Erickson and Mulvey, plus newcomers Marie Crimmins, Alice Quessy, and James McAnany.
