Audience Takes Part in Highland PTA Musical Program

An entertaining program involving the entire audience was the feature of last week's Highland PTA meeting.

Led by Mrs. Gerrude Howell, former Highland teacher, and Mrs. Margaret Friant, teacher at Center Avenue school, a large group of parents sang and played various percussion instruments. Such numbers as "Frog Went A-Courting" and "Down in the Valley" were sung with much gusto while various members of the audience played autoharps and other instruments.

Mrs. Arthur Nickel announced the membership drive to begin Oct. 9, and Mrs. W. H. Justice, ways and means chairman, announced the carnival to be held on Halloween, and asked for helpers to carry out the plans for a gala evening.

Members of the PTA executive board were introduced by Mrs. Vernon Young, president; and Mrs. Margaret Matthews, principal, introduced the school staff, who were heartily welcomed by the group.

Refreshments were presented in a novel form, consisting of a paper bag lunch, such as the children bring to school. Hostesses were members of the executive board, under the supervision of Mrs. Larkin Happle, room mother chairman.

Cooperative Nursery School Opens on Firmona Oct. 10

A cooperative nursery school will commence Tuesday, Oct. 10, at 10824 South Firmona avenue, meeting every Tuesday and Friday morning from 9 to 11:30.

The school is operated on a non-profit basis, and the tuition is kept down to \$7 per month per pupil. Enrollment will close at 12, pupils ranging in age from 3 1/2 to 5 years.

Mrs. Louise Styer, a registered nurse, who successfully has directed other pre-school groups in the vicinity, has been obtained as teacher. Parents will alternate with support and maintenance.

Activities will include paste, crayola, scissors, hammer and nail, and clay work, both easel and finger painting, music and records, stories, blocks, outdoor play on swings, ladder, sandbox, wheel toys and group fun. A juice time and a rest period will be included in each session. A certificate of health from a doctor will be required from each pupil.

An additional number of pupils are invited to enroll. Further information may be obtained by calling Mrs. Carl Poyner at OR-7-6452 or Mrs. Louise Styer at PL 2-7676.
